

WINNERS of the anti-litter poster contest proudly displaying their prizewinning work are Robin Picard, Orinda School fifth grade and Susan Kuzak, Inland Valley School sixth grade.

Beautification Anti-Litter Poster Winners Named

Winners of the anti-litter poster contest conducted in Orinda Schools for youngsters in grades four through eight as their participation in the annual March Clean-up sponsored by the Orinda Beautification committee have been announced by Mrs. F. F. Rust, poster contest chairman.

Mrs. Rust, Orinda AAUW representative on the beautification committee said the children were permitted to choose their own form of art and materials for the posters, with creative imagination given full rein.

HERE ARE the blue ribbon winners: Susan Kozak, Inland Valley School, 6th grade, first place; Robin Picard, Orinda School, 5th grade, second place; Nick Lahli, Pine Grove School, 6th grade.

Other blue ribbon winners are Becky Backman, Orinda School, 4th grade; Carter Darwin, Pine Grove, 6th grade; Elizabeth Wosley, Sleepy Hollow, 4th grade; Pam Spaich, Sleepy Hollow, 5th grade; Doug Nelson, Pine Grove, 6th grade and Richard Hersey,

Inland Valley, 6th grade.

Honorable mentions went to the following youngsters: Pine Grove School—Linda Bell, Francis Gillespie, Lili Kelley, Cecily Waterman, Barbara Rust, Anne Doten, Mike Winfree;

Inland Valley School—Ellen Whitehead, Randy Goray, Bruce Chisholm, Bonnie Brown, Linda Sonnenschein, Kathy Walters and Nancy Parsons; Sleepy Hollow—Shirley Mitchell, Greg Mills, Mary Schnugg, Denise Rosenthal, Marcia Wilson, Greg Dorsett.

ORINDA SCHOOL—Pat Neeland, Don Bain, Dana Reid, Mark Smith, Donna Creagmit, Norman Kerth; Gloriaetta—Craig Pearson, Molly Penfield, Barbara Frombala;

Del Rey—Janet Richberger, Diane Dauphinee, Jon Nissen-Meyer, Susan Kjar, Janet Richberger and John Bishop.

The contest was sponsored by the Orinda Beautification committee with the cooperation of Joseph Sheaff, Superintendent, Orinda Union School District.

5 Burglaries, 3 Attempts Reported to Deputies

Five burglaries and three other attempted break-ins were reported to the Sheriff's Sub Station in Lafayette in the last week.

One grand theft was also reported in Lafayette.

Buck Wilson of Walnut Creek told deputies that someone had removed parts from two of his boats at the Ski Craft Boat Company, 3227 Kilbourne Road, Lafayette.

A Bertex magneto valued at \$175 was taken, along with an electric fuel pump valued at \$15.

BOTH boats were parked in front of the shop in the light, Wilson told deputies.

The Pleasant Hill Beauty Salon and the Pleasant Hill Cleaners, located next door to each other, were both burglarized Saturday. Olsen A. Wilbert of Lafayette, the owner of the cleaners, reported the breaking and entering to deputies.

The rear door of the cleaners was pried open and \$38 in change and small bills taken from his cash register.

The beauty salon was also entered from the rear and \$18 in silver taken from the cash drawer.

A burglary was attempted at the Adelene Dress Shop, 4 Plaza Market, Alamo, owner C. T. Evans reported Saturday.

A GLASS panel was knocked

out of the front door, but entry was not made.

Sunday the Diablo Country Club reported that its snack bar storeroom had been broken into and seven cases of beer taken.

Geary Road Service at 1886 Geary Road in Walnut Creek was burglarized last weekend, owner F. Alvin Beck of Lafayette reported.

He said two McCulloch cart engines were taken. They were valued at \$125 each.

William E. Baught, 70, of 24 Camino Encinos, Orinda, reported to the sheriff's office that someone tried to enter his home Sunday night. He said his shouts scared the person away.

LLOYD Laukude, owner of a laundrette in the Alamo Shopping Plaza, reported that someone tried to enter his place of business by prying open a rear door.

He told deputies that three other stores in the plaza had also reported similar attempts on their back doors.

J. Roberts Wesley of 59 Camino Encinos, Orinda, reported that his house was entered Monday and a transistor radio taken.

Deputies said the person wandered through the house after forcing a door and window to gain entrance. Valuable jewelry was discarded.

All Aboard for Sun Sea Party---Do It Your Way!

ALL ABOARD! We're off for Hawaii on The Sun's Suburbia Sea Party, leaving from the Matson docks in San Francisco on May 10!

And there's a place for you aboard, too!

If you are not acquainted with the fabulous party that awaits you and your family, here are the details.

The cruise will last for 17 days. The cost—\$598.50 per person, includes all transportation expenses to and from the Islands aboard a luxurious Matson liner, probably the Lurline. It includes transportation from the Aloha Tower in Honolulu to a luxurious hotel on Waikiki Beach, and it includes the cost of your hotel accommodations during your stay in the beautiful islands.

IN FACT, the only thing not included are your meals while you are in the Islands. You even get your choice of a catamaran boat

tour of Pearl Harbor or a trip around the island of Oahu.

Furthermore, the trip can be tailored to the needs of you and your family. Although it is a bargain as it exists, you can pare the expenses even further by choosing less-luxurious accommodations. If you wish to spend more time in the Islands, you may go over by Matson liner and fly back whenever you wish.

IF YOU WISH to extend your stay, that can be arranged, too.

So you see, The Sun Suburbia Sea Party can be just what you and your family have been looking for—a dream come true.

If you feel so inclined, extra tours can be arranged while you are in the Islands.

If you have any questions about this trip, just call Mrs. Herman Silverman at AT 4-4444, or ask your local travel agent. Arrangements are easier to make than you think!

Group Will Study Freeway By-Pass Ramp Safety

A meeting of the Diablo Highway Improvement Federation members was announced by Chairman Harold E. Mutnick for Wednesday at 8 p.m. in room 106 of Acalanes high school.

Purpose of the meeting is to consider the adequacy and safety of on-ramps and off-ramps of the Lafayette by-pass in view of the two recent fatal accidents.

Mutnick said the State Division of Highways, District IV, would be represented by their assistant district engineer, Jerry O'Shea, who will assist in the discussion.

A short business meeting will follow which will include consideration of the proposed county road connection between Old Tunnel Road and Leland Drive in the Sun Valley area, and further discussion of the proposed "in lieu tax."

Chinese Classical Water Color Art Exhibit at Library

Paintings by Linda Chang, a young Chinese-born artist, will be exhibited at the Orinda Library during the month of March.

Miss Chang's paintings are from the ancient art of Chinese classical water color and the artist has spent most of her life in mastering its rigorous disciplines.

"I BEGAN my studies as a little girl, five years old," she relates. "My father noticed my interest in painting and engaged two tutors to teach me the classical style. Also I took art courses in school."

Collections of the artist's paintings of landscapes, figures, birds and flowers have been exhibited in such galleries as the deYoung Museum in San Francisco, Hunter's College in New York and the Frye Art Museum of Seattle.

IN 1958 she traveled to Hong Kong, where her work was exhibited in the American Library under the auspices of the United States Information Service.

Miss Chang is a graduate of St. John's University, Shanghai, and the University of California. She resides with her husband, Jack Koo, an architect, in El Cerrito.

The sponsors of the Orinda Art Center indeed feel privileged to attend the brush painting classes the artist is now instructing in Orinda.

Village Imports Pledges Funds To 14-20 Club

Village Imports of Orinda has dedicated March 18 to the 14-20 Club of Lafayette and Orinda.

All profits taken on this day will be donated to the club to help bring the proposed youth center closer to reality.

Fund-raising activities for the center have included a cake sale, car wash and bottle drive, all conducted by members of the club. These activities have raised \$110.

Members of the club have expressed appreciation to Village Imports for their assistance. To date this offer has been the first outside help the club has received.

Housing Pledge Is Signed by 1200 Residents

With a few days remaining in its campaign to combat housing discrimination in central Contra Costa County, the Open Housing Covenant Committee announced that it had already exceeded its goal of 1000 signatures.

Churches and civic organizations in central Contra Costa have been circulating the committee's petitions and pledge cards among their members for the past several weeks. More than 1200 signatures have been collected to date.

The committee, however, has announced that no further names will be added to the list after next Wednesday.

The Open Housing Covenant pledge cards and petition affirm the signer's readiness to welcome neighbors into his neighborhood "on a personal basis without regard to race, color, creed or national origin."

One of the principal purposes of the campaign, according to the Reverend Philip Daunt, head of the central Contra Costa Council of Churches, is to indicate to the real estate profession that many people in this community oppose housing discrimination aimed at members of minority groups.

The campaign, he said, has also served the important function of stimulating discussion of the factual and moral issues involved in housing segregation and desegregation.

The organizations sponsoring the Open Housing Covenant Committee are the Central Contra Costa County Council of Churches, the Contra Costa Jewish Community Center, the Catholic Interracial Council of the Archdiocese of San Francisco, the Mount Diablo Unitarian Church, the Orinda Council for Civic Unity, and the Fairplay Council of Central Contra Costa County.

Persons wishing to have his name included among those supporting the Open Housing Covenant should send his name and address to Open Housing Covenant, 2900 Bonifacio, Concord, said Rev. Daunt.

Sleepy Hollow Parents Club Meets Tuesday

Sleepy Hollow School Parents' Club will meet Tuesday at 7:45 in the all purpose room at the school.

Mrs. R. C. Williams, publicity chairman, announced children of grades three, four and five will participate in a patriotism program.

There will also be an election of officers.

Help! A Lizard Is on the Loose

Seen any yard-long iguana lizards lately? Last week one was washed from a storm drain in Orinda with a flood of water.

The reptile officially belongs to Ann Blount, a student at Miramonte high school. However, his current residence is a cage in the high school's biology lab.

He was taken in his cage outdoors for fresh air one evening. Released from his container the lizard, called "Iggy" went streaking across the street and without flicking a "tail feather" disappeared down a storm drain opening.

Quickly dispatched, the Moraga Fire Department and a crew from the county animal control arrived at the scene.

Iggy steadfastly refused to leave his cozy newfound storm drain home some 30 or 40 feet underground.

So—he was washed out with a stream of water.

The county poundman was waiting for Ig at another opening.

Captured, Ig was sent back to the biology lab to the confines of a cage.

A sigh of relief was the outstanding school comment on the escape and capture of the rambunctious lizard.

78 Orinda School Bus Stops Illegal

District Board Views Law With Grave Concern

"There's no question but children in Orinda will have to walk long distances when the state law regarding school bus stops is enforced next year." This statement was made by J. Gordon Ainsworth, a member of the Orinda Union School District Board and member of the Transportation Committee of the Acalanes Transportation Committee.

Ainsworth, who attended the March 2 meeting of the transportation committee, told the Orinda board that 160 school bus stops of the 349 involved in the Acalanes bus program occurred in Orinda. Seventy-eight of these stops are illegal if the law is enforced.

The State Board of Education rules that a 400-foot visibility is required at a bus stop where there is no turnoff. State law requires 250 feet visibility (in either direction) for the same circumstances.

Forty of Orinda's present school bus stops, if the law is enforced, will be more than one half mile from a legal stop, according to Ainsworth. The transportation committee is making a study of all school bus stops in relation to the law and results of this study will be ready the first week of April.

Meanwhile, Ainsworth urged that parental pressure be exerted on state legislation. Letters (from the transportation committee) are being sent to Senator George Miller and State Assemblyman Jerome Waldie urging that consideration be given to this problem.

"It is difficult and lengthy to attempt to change a state law," Ainsworth said, "but the people of Orinda should seek legislation giving special consideration to Orinda because of its unique terrain."

"AN AMENDMENT or clause providing for this contingency is more easily obtained than a change in the existing law," he concluded.

A pinboard map showing bus stops in the Orinda Union School District revealed that all bus stops on El Toyonal would be eliminated when the law is enforced.

A question, paramount in the minds of many Orinda parents, was raised from the audience at the school board meeting Monday night at Pine Grove School.

Question—"Is it safer to have a bus rammed by a car, or to have all children walking on curving hilly terrain, completely exposed to traffic?"

IN ADDITION to concern for safety of children, the vital question of insurance came forth. It was suggested that a review of the agreement with the Acalanes Bus Transportation be studied, with the possibility of registered ownership being transferred to Acalanes, but legal ownership retained by Orinda. The problem involves three busses now owned and registered to the Orinda Unified School District.

Consideration of the safety of Orinda youngsters took precedence over all laws and finances at the trustees' meeting. The trustees seek the cooperation of parents in amending or changing the law so that Orinda children may safely reach school.

Letters to state legislatures are encouraged.

Where Are Happy People? Answer's In Suburbia!

A nationwide survey now underway, indicates that the happiest people live in Suburbia's pleasant places, says poll-taker Dr. George Gallup in the March issue of Suburbia Today, which appears today with your Sun.

Even the happiest people have their problems, though. One of the most serious of these (of the tune of \$100 million worth of damage each year), says reporter Ed Sammis, is termite. Here's a rundown of how to spot the hungry little beasts and what to do when they invade.

ANOTHER common pest is crab grass. Garden expert John Brimmer reviews the situation and suggests ways of coping with the problem NOW, before sowing your good lawn seed.

With Easter only a few weeks away, there's a feature about how to make beautiful birds and flowers out of blown eggs, a bit of dye and simple materials such as pipe cleaners and crepe paper.

There is also a story for all the young people who will soon begin summer vacations outlining the kind of jobs waiting for them and how to go about getting them—everything from harvesting crops to working on cyclotrons to cat-sitting.

Then, veteran actor Sir Cedric Hardwicke is interviewed this month by veteran actor Sir Cedric Hardwicke, who wittily asks—and answers—questions on life, love, Hollywood and the theater.

WHEN THE Joseph N. Bells were remodeling their kitchen, they began taking all their meals at the dining room table. They've been eating and gathering there ever since, says author Bell, and find that the big gracious table makes a natural center for family activity.

Then, there are two pages of pictures showing how a burro named Simpson (bought by mail order for \$87.50), has brought a new world of fun and responsibility into the lives of three youngsters in suburban Pelham, N. Y.

The fashion feature this month shows the latest looks for the

bowling lanes and proves the delicate fabrics and high styling can go bowling—and then to a party or the theater afterwards.

IN SUBURBIA's penetrating news column this month there are some profound observations concerning the influence of nicotine on dogs, of the bedroom on the tax situation and of rye bread on fine art.

Finally our Suburbia—Any Day! cartoonists (artists all), pen a few unique comments about modern art, the people who turn it out, and the people who like to have it around.

How Did They Learn About Poodle So Soon?

Mrs. Marion Sovereign of 37 Ackley Court, Pleasant Hill, was pleasantly surprised when she sold her poodle on the first phone call answering her want ad in The Sun, last week.

She was surprised because The Sun Shopping News wasn't mailed until Thursday, due to George Washington's birthday. (Someone was an early bird.)

Mrs. Hy Wiseman of 1884 Magnolia Way, Walnut Creek, sold all her maple furniture on the first day of her want ad in The Sun.

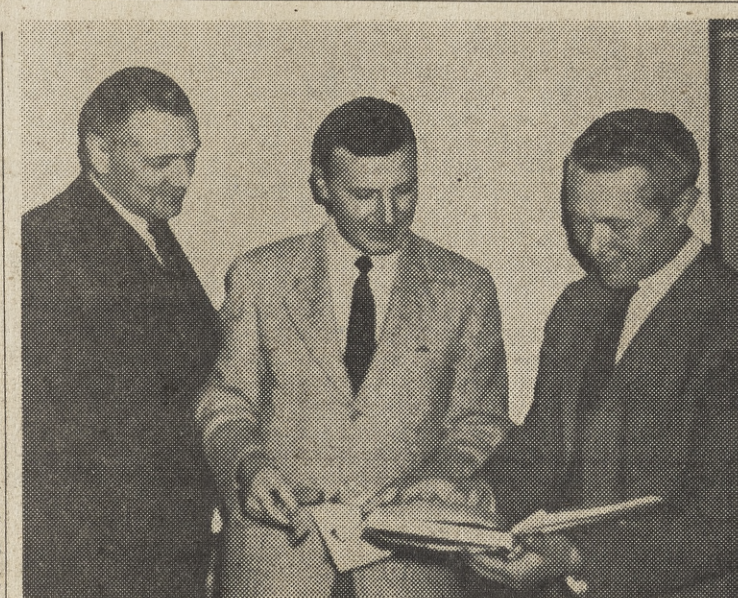

These results are typical of the results from The Sun. Success stories are in the hundreds each week.

Your want ad appears in The Sun Shopping News on Wednesday. It is distributed free to 40,000 homes.

It automatically appears in the Walnut Creek Sun, Orinda Sun, Lafayette Sun and Pleasant Hill Sun, Friday. They are widely-read subscription papers.

The price for the "5-in-one" treatment is only \$1.60 for a 14-word ad.

Place your ad by phone. Pay later. Call YE 4-5000, AT 4-4444 or CL 4-4343.

PROFESSIONAL leadership is provided students at the Miramonte Humanities Seminar by such men as David Coleman, discussion group leader; Dr. William Hilger, coordinator of adult discussion leaders and Dr. Fred Stross, authority on Egyptology who lectured to students February 12.

Crime Lab's First Six Months Are Busy, Says Sheriff's Annual Report

The initial six months of the Criminalistic Laboratory operations was outlined this week in the Contra Costa County Sheriff's Department annual report for 1959-60.

The Criminalistic Laboratory, created last January is independent of all the regular divisions of the department.

Criminalist Duayne J. Dillon reports directly to Undersheriff Harry D. Ramsay, who is second in command to Sheriff Walter Young.

SINCE THE "crime lab" opened, it has received 142 cases. An examination for fingerprints was required in 85 of these, and other physical evidence examinations were made in 55 other cases.

Eighteen cases were processed for outside agencies, including four for Walnut Creek police, two for Concord police and one for Lafayette Fire Department.

Its activities include chemical and physical examinations of inflammables, blood, fibers, narcotics and drugs, semen, glass and paint.

DOCUMENT examinations include handwriting comparison and postmarks.

Fingerprint work included development by powder, chemical and photography.

Some 253 fingerprints were evaluated; another 241 comparisons were made; 268 articles were processed for fingerprints with negative results.

Five suspects fingerprints were identified; 32 "non-responsibles" fingerprints were identified.

FIREARMS work includes examination of bullet or cartridge cases, bullet comparison, test firing of weapons, preparation of test patterns.

Microscopic examinations were made for soils and dust, hairs and fibers, paint, powder residues, semen, narcotics, glass.

Shoe impressions have been taken; serial numbers have been restored; ultra-violet light examinations have been made.

And there has been paperwork—152 written reports have been made in the six months.

CRIMINALIST Dillon graduated from San Francisco City College in 1949, and in 1951 received a bachelor of science degree in criminology from the University of California School of Criminology.

After additional training at "Cal" and the University of Vienna, Austria, he became a special agent for the U.S. Air Force. Before coming to Contra Costa, he was employed as a criminalist with the Orange County Sheriff's Office and the San Francisco Police Department.

The annual report covers the activities of the patrol detective,

'Spring' Weather Darts in and Out

It might be said that spring wavers between winter and summer. In that case the verge of spring is here. Climate-wise Orinda has run the gamut this past week with snatches of rain, sun, clouds, clear skies in any and all combinations.

The seasonal total rainfall is 11.27 inches through March 8.

Here are the temperatures:	High	Low	Rain
March 2	70	43	
March 3	60	29	
March 4	60	37	.15
March 5	57	43	
March 6	52	43	.37
March 7	57	29	
March 8	58	34	

Organization of Schools Topic

The County Committee on School District Reorganization will meet Tuesday at 8 p.m. at Acalanes High School.

Progress reports will be offered.

Suburbia Scribblings

By MARIE MONAHAN

Putting on the Dog

SOMETIMES I think Man is motivated more by Mutt—or miniature poodle—than by Madison Avenue . . . at least when it comes to keeping up w/one's dog!

Ever notice how certain pooches bear their owner's likeness . . . or that the resemblance is vice-versa? LIKE hairdos on Matrons & their miniature poodles similarly curled, combed & colored?

OR, for instance, how big old dogs always seem to be ensconced inside big old cars wherefore younger pedigree types seem to have a preference for the later & sleeker automobiles.

KIND OF FUN to match a canine to a car . . . like a Chihuahua or a Peke sitting snootily inside a foreign sportscar. Certainly more picturesque than lost in the interior of a dented Dodge or a vintage Buick . . . then on the other hand, a Volkswagen is hardly the setting for a Great Dane or a Doberman Pinscher.

WE KNOW a nice benign-looking lady who tries to keep it a secret that her nice benign-looking St. Bernard's nightly snoozing spot is the decorous chintz chaise lounge in the master bedroom. But it's more believable than if the same big-eyed behemoth was relegated to the garage—or cramped into an oversized doggy basket.

OUR WOODSY hillside is a favorite haunt of the neighborhood kennel club (naturally, w/40 oak trees to choose from!) & over the years we've grown accustomed to the daily pooch procession. But what a motley crew! Reminds us of the dogs in the famous card-playing picture. Just as do the hounds that hover around for hand-outs at T-Bones' famous hotdog & hamburger spot.

THE MOST REGAL of dogs around is the John Jeffery's purebred Afghan hound. Sleek, chic & bearing the aristocratic moniker of Champion Gandhi of Lokoya, the White-Haired One who has copped blue ribbons & silver trophies up & down the coast is a familiar sight strolling the village w/its owners in the early evening.

SHADES OF GUNGA DIN . . . what's more, Helene Jeffery has devised a prize-winning background for the Elegant One when he is shown—His decorated "bench" consists of a backdrop of toney leopard cloth on which hangs a picture of a head of a Leaping Leopard . . . W/te right amount of green palms & taking his stance on a rug to match his silken flowing coat, Gandhi looks like something out of Rudyard Kipling, gets the Glad Eye from the judges & last wknd. at the Oakland Kennel Show brought home another trophy (he has 18) for the "Best Decorated Bench."

In the same show, he stayed in the running almost till the Bitter End for the Best of Breed & recently in Santa Barbara took 1st prize in a show w/over 1200 entries. Proving Every dog has his day!

JUST AS PROUD of their poochpup's papa are Sylvia & Bob Cox, who took in the same doggie meet to see their darling Dalmatian's Daddy-O take a championship award . . .

A FAMILY PORTRAIT was represented by the handsome Afghan hounds belonging to the Fred Evanses . . . w/te mother, father & 3 or 4 puppies tabloiding "Togetherness" of the Canine Kingdom.

LOVE ME, LOVE MY DOG may be a time-worn cliché, but it only takes a good look around Suburbia to see how true it really is. In a family area where a dog comes w/a house (if you don't have one, you GET one the minute the mortgage is signed) a Fido or a Fifi become a prominent & sometimes problematical part of the family requiring as much attn. & care as the family moppets.

Who said "It's A Dog's Life" . . . ? Between T-Bones' handouts, Lucky's Bones for Bowser-bags & our wealth of hills & trees, not to mention the profusion of cats around, our suburban pets never had it so good!

From Pooches to People

SIGHTS I LIKE TO SEE . . . Auto dealer Chris Maginni tooling down Santa Maria Way solo in his station wagon & singing away to High Heaven. What a wonderful voice that man has & we ought to know. Sat next to him in church!

Then there was Doris Hawkes last Sat. pulling down little cans of strained baby meats from the store shelves. NO, there's no new baby in her house, but there IS a miniature poodle who enjoys this tenderized repast.

The pretty posey & candy filled baskets at Phair's reminding me that we should revive the tradition of May Baskets—mit flowers on the doorknob, yet!

THANK HEAVEN FOR LITTLE GIRLS . . . Genial John McKee beaming to beat the band & what father wouldn't w/a brand new baby daughter, Alison Lloyd, born recently . . . Their Fourth, but the first in 8 years, the youngest of their three being 3, the others 16 & 14.

. . . & BOYS . . . New first-time mother Margaret LeCramp shopping w/her beautiful new baby boy contest in his bunting & baby seat & you can't tell ME that those smiles were air bubbles! Margaret Kendall & Libby Brock doing the grocery rounds both fresh from the Beaut-Shoppe & sporting new bouffant hairdos.

NEWCOMERS the James Loves (formerly of La Jolla) recently settled into the contemporary Tarry Lane house designed by Elvin B. Riley . . . Mary Love chatting w/realtor Frances Lax in Phair's & telling her that the new modern menage got photogged this week for an AIA Home Contest.

PINE-GROVERS Tim Philibosian, Craig Crawshaw & Andy Calhoun, who have a singing trio called The Tropicals & pattern themselves after the Kingston Trio, may end up someday having the world on a "platter." Auditioned for a one-song spot for the forthcoming Stanley-PG Talent Show, they were Soooo Good, judged Mr. Jesse, that he signed them up for not two, four or six, but EIGHT numbers!

RAFER JOHNSON, Olympic Decathlon champ, arrives Sunday at Orinda & autograph hounds & sportsfans will be hounding him at the William Gilmore's residence where he'll stay for the duration of his visit which incl. assembly dates at Pine Grove, Miramonte, Acalanes & Diablo Valley College.

THESE THINGS Tickle me . . . that Mr. Boyce, Pine Grove principal, got tabbed for a ticket because he failed to give the right signal when turning uphill to school. So needless to say, Poor Panther's Almanac, a school pamphlet, carried a paragraph about citations on one of its pages ending w/the somewhat sour note "due to one of the faculty member's latest experiences" . . .

ORINDA SUN

Published Every Friday Phone CLifford 4-4343

SUBSCRIPTION RATE: \$3.75 per year; \$2.00 for 6 months; \$4.75 out-of-state, in advance. Sun Newspaper Corp., 1001 Oak Hill Rd., Lafayette: P.O. Box 147, Orinda. Member of California Newspaper Publishers Association and National Editorial Association. Entered as second class matter June 17, 1943, at the post office at Lafayette, California, under the Act of March 3, 1879. Plant: 1001 Oak Hill Road, Lafayette.

Herman Silverman, editor and publisher; Eleanor Silverman, associate publisher; Dick Osborn, associate editor; Norm Colby, Jean Jernigan, George Colburn, news editors; Carole Good, reporter; Bob Moore, advertising director; Wayne Laine, advertising manager; Irish Casey, office supervisor; Vera Holmes, bookkeeper; Fred McKenzie, classified manager; Arlene Danner, Bob Rapada, Bob Holt, advertising representatives; Mac Cardwell, foreman; Arlene Brown, real estate representative; Betsy Matlock, Walnut Creek office manager; Mariette Lemon, Erwin Mattson, Dorothy Vico, Nell Warren, Harold Harmon, Allen Shuler, O. T. Godfrey, Jim Brewer, Willard Burton, Kenneth Humma, Jerry Pittman, Gene Teague, Harry Jenkins, Don Lane.

GROOMING THEIR champion, Mrs. John Jeffery, Jr. and her son Jody, are shown with trophy winning Ch. Gandhi of Lokoya at their Orinda home. The stately Afghan Hound will be one of the featured attractions at the Oakland Kennel Clubs' All Breed Dog Show and Obedience Trials.

Moraga Valley Church Will Be Chartered Sunday

The Moraga Valley Presbyterian Church will be chartered by the Presbytery of San Francisco in the service of worship Sunday at 11 a.m. meeting in the Old Moraga School Building. The Reverend James C. Smith, pastor of St. John's Presbyterian Church in Berkeley will preach the sermon; the Reverend Dorel Longigan, chairman of Presbytery's new work committee will moderate the service and propound the constitutional questions; and Howard Robie, director of new church development, will make the presentation for presbytery.

THE COMMISSION will meet with those planning to become charter members of the church at 10 a.m. and receive them into membership. A reception honoring the commission will be held from 10:30 until 11 a.m. when the charter service will begin.

The elders to serve on the session of the church will be elected by the newly chartered membership and ordained to their office during the service. The elders-elect are messrs. Floyd Bieri, David Clapp, Rex Collings, Clinton Cooper, George Driscoll, Raymond Fish, Ellsworth Metter, Albert Mohrman, Loren Mowrey, Fred Nielsen, Robert Oakes, James Roberts, Clyde Spinks, and Herbert Young.

THE CHANCEL Choir of the Walnut Creek Presbyterian Church under the direction of Ronald Standing will sing, "My Eternal King" by Jane Marshall and, "Sanctus" by Gounod. Dr. Ronald T. White began services of The Moraga Valley Presbyterian Fellowship on December 11, 1960 in the Old Moraga School building with 108 people present. Services of worship and the church school have continued since that date. It is anticipated that the new church will be chartered with over 100 adult members.

Eight and one half acres of land has been secured from the Utah Land and Development Company just two blocks from the Miramonte High School and a use permit has been requested from the county planning commission. Plans for a beautiful church and educational plant which will fit into the suburban charm of the Moraga Valley are to be started shortly.

Boys and girls dining in Orinda Union School district cafeterias next week will be served the following menus:

Monday—Hamburger on buttered bun, sliced tomatoes, buttered corn, one half pear.

Tuesday—Spaghetti with meat, green salad, French bread, fruit jello.

Wednesday—Chili beans, cold slaw, buttered corn bread, orange juice bar.

Thursday—Meat loaf and gravy, boiled potatoes, carrot sticks, rye bread, blackberry cobbler.

Friday—Tuna cheeseburger, green beans, applesauce, cookie. Milk is served with all meals.

DEEP DOWN, I've always been baffled by the state of the STATE Text Books & wondered how come some of the text came to be. This week one PG class completely puzzled over a problem that even parents couldn't figure out. No one could do the homework & what's more, the next day the teacher admitted she herself was at a loss to explain the complex or misleading context of the problem.

From the first-grade readers to the 7th grade math books, the errors are a profusion of confusion. Just the same, I hate to see ANY book burned. Better to spurn them for future printing—unless the text is completely checked & tested FIRST before getting into the hands of a frustrated student, teacher & fuming parent.

GET WELL CARDS . . . To Mark Doughlin, who is in the hospital w/a second-time broken arm after the brakes went out on his bike & he flew slowly downhill & through somebody's window . . . To Mr. Boyce, who is home sick w/the usual Bug & we hope he's back soon . . . Ditto Mrs. Givens after her long absence (her class has much missed her for mos. because of a long hospital confinement due to a leg accident) . . . & keep passing the hills . . . to Mr. Jackson & Mr. Luoma, who, too, are among the missing teachers.

. . . Also hello to Johnny Heller home in bed w/the Chicken Pox. Marion & Emory Davis, former Orindans now Fresnoites, were in town briefly last wknd. & mentioned May plans for a 7-week trip through the Orient. He's w/Zellerbach.

Also perusing the Guide To Europe is Teddy Gardner, who will tour the continent w/her mother this summer. O Lucky One! Old friends are seeing former Orindan Liz (Gibbons) Von Ongen, who is back in Berkeley for the birth of a First Child for she & husband Anthony. They are now residents of Teheran, Iran.

NO NEED FOR BLUE MONDAY if you have talents for wielding a musical paintbrush. Nancy Hanley, who is in chg. of Int. Dec. for the April 8 "Saturday Night Jamboree" at Miramonte is recruiting help to paint black musical notes at her home next Monday. It will be the first round-up of interested volunteers. So if on Mon. you usually see spots before your eyes anyhow, why don't you try a few bars of the musical variety by giving your all & a call to Nancy at CL 4-2080.

THE SOUNDS OF MUSIC being overheard for the Jamboree are members of the male chorus who'll serenade w/"Sweetheart of Sigma Chi," "Marie," "Aura Lee," etc.

Yvonne Courtney (one of the King Sisters songsters) is a real doll, especially doing "It's So Nice to Tave a Man Around the House" . . . & we can't wait to get a good look at La Henderson in one of her side-splitting skits! These are only a sampling of the fun in store for this king-sized community party & dance.

IT'S A BIG BERTH-Day Party next wknd. at the Richmond Yacht Harbor for Emmarie & Charlie Reid's new baby—the "Hardy Yare Har," which is being brought down from its berth of birth in Seattle. Emmarie has reached the penultimate in something—She's now raising poodles & selling yachts. What else is there?

Members of the Reid family will be sporting their "Hardy Yare" shirts to show guests around their boat & invites to a score of friends were mailed this week for next wknd's champagne launching. Ahoy there, Man Overboard?

FOR CAMELLIA-fanciers or fancier camellias, try the 16th Annual Camellia Show at the Walnut Creek Armory next wknd. Open 2 p.m. to 10 p.m. March 18 & 10 a.m. to 6 p.m. on March 19. Admission 50 cents!

Del Rey Bike Safety Program Draws 92 Kids

A bike safety program, the first of two sessions, was held at the Del Rey school on Saturday.

Ninety-two bicycles were checked for safe equipment. Bicycles found to need repairs or adjustment will be rechecked tomorrow at the school.

While children from first to sixth grade were attending a class on safe driving and care of equipment, their bicycles were checked by interested and hard working sixth grade boys.

FOLLOWING the class, children were able to discuss their bicycles with the sixth grade "mechanics." A rechecking of faulty equipment will be held tomorrow at 10 a.m. for first through third grade youngsters and at 11:30 a.m. for fourth through sixth graders. An oral test will be given first through third graders and a written test for fourth through sixth graders.

All children who pass the tests and the bicycle check will receive a decal for their bikes.

The program is sponsored by the Orinda Recreation Department and under the supervision of Ray Enjaian, sixth grade teacher at Del Rey.

FIFTEEN boys and girls assisted him in checking the bikes and registering the children.

They are Marilyn Halprin, Sarah Young, Kimi Potter, Beverly Cavalli and Jackie Singer, secretaries; Rod Hoffman, Mickey Shepard, Dwight Sigworth, Jack Bowers, Rick Dawson and Spinks, Phil Kenney and Rany Bill Foley, mechanics; Karen Longacre, runners.

Olympic Games Book Given to Library by Lions

The 1956 Olympic Games Book has been given to the Orinda Library for the use of all Orinda by the Orinda Lions Club.

Kenneth Courtwright announced that a check and order has been sent for the 1960 book, which will soon be off the press. It, too, will be donated to the Orinda Library.

The U.S. Olympic headquarters in acknowledging the order and check stated that if all service club members in the United States would give 25 cents each year the amount would be sufficient to support the Olympic teams.

The Orinda Lions first purchased an Olympic Games Book in 1952. The book is in the School Library. The Orinda Rotary Club has given a 1956 book to the Pine Grove Library.

Where's The Fire?

The Orinda Fire Department responded to the following alarms during the past week:

Friday — 6:20 p.m. Van Ripper Lane. False alarm.

Saturday — 3:29 p.m. False alarm.

Sunday — 9:21 p.m. Overhill Court. Smoke scare. 9:57 p.m. El Rincon. Sofa fire.

Monday — 9:30 a.m. Sleepy Hollow. Investigation.

Wednesday — 7:20 a.m. Camino Don Miguel. Broken water main. 11:09 p.m. Miramonte High School. Standby for aid to Moraga Fire Department.

Richard Doty Is First Lieutenant

First Lieutenant Richard E. Doty, son of Mr. and Mrs. A. R. Doty of 349 Glorietta Blvd., was promoted to that rank recently at James Connally Air Force Base, Texas, where he is a medical supply officer assigned to the 8565th USAF Hospital Group.

Doty was a 1954 graduate of Acalanes high school, and in 1959 he received a bachelor of science degree in business administration from the University of California.

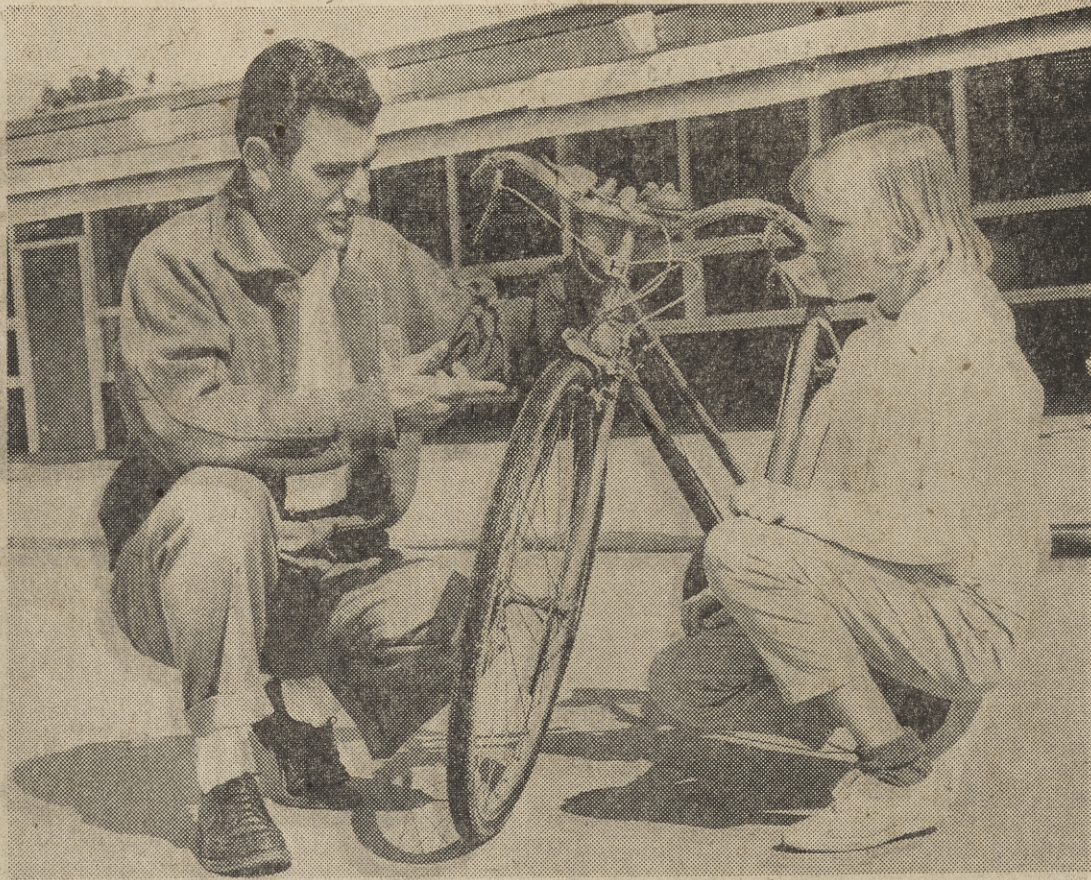

He attended the Gunter AFB, Ala., school of aviation medicine and was stationed at Davis-Monthan AFB, Ariz., as an assistant medical supply officer prior to his assignment to Connally on Jan. 3, 1961.

Judy Myer Is On Honor List

A student from Orinda was named to the dean's honor list at Arizona State College, Flagstaff, for the fall semester, according to Dr. Charles Meister, dean of instruction at the college.

The student named was Judy Myer, a junior majoring in elementary education. To be named to the list a student had to make a grade average of 1.5999 or better. Ninety-four ASC students were named to the list; 12 of these made a perfect grade average of 1.000.

The 94 honor students represent approximately 4.5 per cent of the total ASC enrollment.

Trustees Review Proposal For Insurance Plan

A recommendation that insurance agents serving the Orinda Unified School District be required to live in Orinda or live elsewhere but maintain offices in Orinda was discussed at length by the board of trustees Monday night at the Pine Grove School.

The insurance committee submitted the recommendation to the board along with the revised forms of coverage which have undergone lengthy study by the committee during the past week.

THE MAJORITY of the board members did not feel that insurance proposals should be limited by this requirement of residency and/or business. Nathan Gray, board chairman, directed J. Jentges to seek more details from the insurance committee as to the reason for keeping the proposals on a more or less local basis. The board moved the proposal to be accepted with the revision of item two, the local requirement.

In other business Frank Isola, director of the outdoor education and recreation program gave a report on plans for the coming season. Isola expects 280 fifth grade youngsters to participate this year in the six week program from June 19 to July 28.

FIFTH GRADERS will camp and study at Sierra Woodlands near Lake Tahoe. The program is in its seventh year.

Kendall Moll, Stanford researcher, outlined the problems of nuclear blast protections. Methods of minimizing the danger were suggested, but no recommendations made.

Girl Scouts Receive Highest Scouting Award

A pot-luck dinner followed by a Court of Awards is on the calendar to honor Orinda Girl Scout Troop 73 Tuesday at the Glorietta School.

All parents are invited. Following dinner, Mrs. Robert Beconcini, troop leader, will present the awards to the girls.

Mrs. George Meyer is co-leader of the troop. They choose to celebrate this important occasion on March 14, as it falls during Girl Scout Week.

Scouts receiving their Curved Bars include: Diann Beconcini, Candace Bettencourt, Jo Ann Cary, Ellen Deahl, Hazel Edmunds, Kathleen Halloran, Betty Jones, Kathy Lanzarotti, Katherine Meyer, Shawna Miller, Deann Pierre, Calene Schaefer, Carol Thomas and Patricia Williams.

Orinda Girls Win Offices

Two Orinda girls were elected freshman class secretary and freshman class treasurer at Willamette University, Salem, Ore.

Carole McChesney was elected freshman class secretary. She is the daughter of Dr. and Mrs. Paul McChesney, 5 Brookbank Road. Miss McChesney is also a member of the Angle Flight, an affiliate to the men's Air Force ROTC on the Willamette campus.

She is a '60 graduate of Miramonte high school. She is planning an education major. Carol Jo Knudsen was elected freshman class treasurer. She is the daughter of Mr. and Mrs. A. A. Knudsen, 553 Miner Road. Miss Knudsen is also a '60 graduate of Miramonte high school. She is a political science major.

Easter in Paris Will Feature These Models

Mrs. Jerry Walker of Orinda has announced the names of models for the Mt. Diablo Therapy Center's "Easter in Paris" benefit, set for March 18.

"Easter in Paris" will be at the Broadway Shopping Center in Walnut Creek from 11:30 a.m. to 5:30 p.m. It will feature outdoor Paris cafes serving French snacks, a puppet show for children called "The French Lady," continuous fashion modeling in the outdoor cafes and prizes.

Top prize will be two tickets to Hawaii. Each person served at the "Easter in Paris" affair will have donated \$1 to the Mt. Diablo Therapy Center through purchase of a ticket from Therapy Center volunteers.

Therapy Center auxiliary members will also serve as models. The models include the Mesdames Cecil Hawkins of Orinda, Todd Tillinghast of Danville, H. R. Packard of Ala-

mo, David Coleman of Orinda, A. T. Adams of Walnut Creek, Donald C. Allen of Lafayette, C. L. Rodier of Pleasant Hill, Robert Mattoon of Lafayette, John Weaver of Martinez, John Morken of Walnut Creek, G. R. Hixson of Walnut Creek, William White of Lafayette, Leslie Parry of Walnut Creek, Paul Jorgensen of Walnut Creek, Harold Little of Martinez and Paul J. Cortese of Walnut Creek.

In addition there will be 10 junior models from the Horizon Club of Martinez, and two daughters of regular models. Those from the Horizon Club are Laura de Bonneville, Pat Bowlin, Sharyn Clifton, Martha de Soto, Sandra Ellere, Kathy Farley, Melodye Fidler, Leslie Hoeg, Penny Newman and Nancy Perry. Models' daughters modeling are Kitty Leland and Terry Coleman.

Hats Off To...

Mrs. Gwyneth Donchin Civic Minded Mother

A bouquet of daffodils, please, for Gwyneth Donchin, mother of six, whose perseverance and organization will pay off with the long overdue trimming of El Toyonal Road and Loma Vista Drive . . . and the ultimate improvement by the county of the dangerous and blind curves in this oldest section of suburban Orinda.

The Australian-born and bred blonde wife of Kaiser medic Jerome Donchin lives in a houseful of fireplaces with her half-dozen brood whose ages range from two through 16. The Donchin menage featuring mallard ducks on a Japanese pond, further consists of hamsters, a gentle donkey, and 30 chickens which have put son Jonathan in the egg business.

Working with Mrs. Donchin on this project were area committee people consisting of Mrs. Betty Bell (another daffodil, please) and architect Murray McNeill, Wes Parker, Harry Fledderman, Harold Heller and John Cheney, all of whom rate a bright spring boutonniere for their hand in the road refurbishing.

Cup of Trembling Comes to Orinda

Elizabeth Berryhill, who founded and directed the Straw Hat Revue, will bring to this area several of the cast members, with the production of her play, "The Cup of Trembling," on the eve of March 22 at St. Stephen's Episcopal Church in Orinda.

The Festival Theatre production is directed by Carol Brumm, who also functions as an actress in the play. She is, with Elizabeth Berryhill, co-founder of the current company.

"The Cup of Trembling," according to the author, "is the story of the life of a German pastor, who joins those who plotted the assassination of Hitler. His story is told by eight people. Tickets are \$1.25 and are available at the church office, CL 4-3370. Because of seating limitations, ticket holders will have preference. The performance is at 8 o'clock.

FIRST CHURCH OF CHRIST, SCIENTIST Sunday—9:30 and 11 a.m. SS.—9:30 and 11 a.m. R.R.—Daily except Sundays and Holidays—12:30. Mondays, 7:8 p.m. Wednesday—8 p.m. 22 Orinda Highway, Orinda

ANC---A Way of Life Through the Generations

A close look at the "self-perpetuating chain of sexual promiscuity resulting in generation after generation of people who have no other way of life than welfare" has been provided by District Attorney John Nejedly.

Nejedly spoke recently before the state Senate Fact Finding Committee on Labor and Welfare.

He referred to Contra Costa mothers who are responsible for that fact that more than one-fourth of all children on the County Aid to Needy Children program are illegitimate. He also referred to the nearly half of all county ANC families which have at least one illegitimate child.

NEJEDLY SAID, "... welfare just find an answer to the hard-core career welfare recipient who cannot be 'reached' to help himself and we must limit our assistance to those generally in need and only to help encourage the honest person in need to help himself."

He said a "glaring fallacy" of the ANC program is the requirement that the father be absent from the home before ANC can be granted.

He said, "Can you think of any other requirement which does more to stimulate the breakdown of family life than this one does? 'Will it not reflect itself seriously in the minds of generation after generation of children who will equate the receipt of welfare assistance with desertion of their father, or what I would term an 'economic or convenient absence.'"

HE CONTINUED, "What are we really doing here? We are giving encouragement to fathers to freely move about from woman to woman, from family to family, procreating children out of wedlock, destroying family life, and tearing down norms of morality commonly accepted by society."

"... We should help to maintain in every way the family unit."

Nejedly described two Contra Costa County case histories, which he said "... do not represent all ANC cases."

But they "illustrate the manner in which the program has lost direction," he said.

HERE IS one of them, as related by Nejedly: "Our case history starts with a married couple in 1947. At the time the wife was 28 years of age and the husband 31 years of age.

"From 1947 to 1951 the couple received help from general assistance funds on an intermittent basis for themselves and their four children. In 1947 the four children were 13, 11, 9 and 7 years of age.

"In 1951 the husband left his wife and is now believed to be living somewhere in the Stockton area. In March, 1951, the wife applied for and received ANC in the amount of \$203 per month. About 1953 she began living with another man on an intermittent basis and by him had three illegitimate children, one born in 1955, another in 1956, and a third in 1958.

"She has been receiving ANC assistance continuously since 1951. In 1960 her ANC grant was \$246 per month for four eligible children still with her.

"Now let's take a look at what has happened to the children—the ultimate beneficiaries of our ANC laws.

"The oldest boy in 1953 married a 17-year-old girl. As a result of this marriage three children were born, one in 1953, another in 1956, and a third in 1958.

"In 1959 he left his wife and began living with a 17-year-old girl by whom he had an illegitimate child in 1959 and we now find that this girl is pregnant with another child by this same boy.

"And we might add that his wife, shortly after his leaving, began a casual relationship with another man, by whom she is now pregnant.

"The boy has left his girl friend and both his wife and the girl are presently ANC cases, the wife receiving \$257 per month, and the girl friend \$141 per month.

"Let's take a look at the background of the boy's wife and his girl friend. The wife is a legitimate child, whose parents are at present caring for a three-year-old child of a friend, for whom they receive ANC assistance.

"They have one other daughter, who was married and had one child and her husband, in 1958, shortly after this child was born, was sent to jail for a criminal offense. Shortly after his leaving, she began a relationship with another man, who lived with her a short time and by whom she gave birth, in July, 1960, to an illegitimate child.

"Before the birth of this child she began receiving ANC assistance in the amount of \$151 per month, which was increased after the birth of the child. The father of this second child, on his part, is also the absent parent in two other ANC cases.

"In one case, he has four children by his wife, and in the second case he has an illegitimate child by another girl. Let us also take a look at the background of the girl with whom the oldest boy produced two illegitimate children.

"This girl comes from a family of five legitimate children, the father of the family disappeared some 10 years ago and her mother has been receiving ANC assistance for all of these 10 years.

"These other children are now age 20, 16, 15 and 13 years. The oldest of these, a 20-year-old girl, has just this year had an illegitimate child for which she is presently receiving ANC assistance in the amount of \$167 per month.

"Let us return to the other children of our original couple. The next oldest, a girl, at the age of 15 was married in 1951 and had two children of this marriage; one child born in 1951, the second in 1953.

"Her husband left about 1954, when she applied for and began receiving assistance. She had a third child, an illegitimate, in 1956, by another man. This man, incidentally, is the absent father in three other ANC cases, in each of which he had one illegitimate child by different women.

"Going back to our daughter of the original couple, she had a fourth and fifth child, both illegitimate, by a third man, in 1957 and 1959. At the present time she receives \$291 per month for her five children."

This case history, said Nejedly, illustrates (a) That general assistance for the four-year period from 1947 to 1951 did not resolve any of the problems with which these recipients were beset.

(b) That despite ANC assistance after 1951, when our original recipient had four children needing help, she thereafter magnified her problems by having three illegitimate children by another man.

Let ANC Father Stay Home — Opinion

About 64 per cent of Contra Costa and Sixth Congressional District residents favor changing the Aid to Needy Children law so the family is eligible without the father leaving home.

Congressman John Baldwin announced the partial tabulation results of his recent "questionnaire" this week.

The question: "Would you favor a modification in the law so that a family whose wage earner is unemployed or under-employed could qualify for 'Aid to Needy Children' payments without one spouse being physically required to be absent from the home?"

THE PARTIAL tabulation shows that 24 per cent say no, and 12 per cent are "undecided." Baldwin recently spoke in favor of House Resolution 2693 which he introduced, and HR 3865 introduced by another congressman, during hearings of the House Ways and Means Committee.

Both bills propose to eliminate the father's absence as a requirement, but Baldwin's bill is a permanent provision, while the other is limited to April 1 this year to June 30 next year.

The present ANC law, for which Federal funds are paid to county administrators, provided for aid only when the father is dead, has deserted the home or is disabled.

BALDWIN SAID, "The most serious development under the present Aid to Needy Children program is that many families have been forced to separate in order that the wife might obtain 'aid to needy children' funds for the children."

manent provision, while the other is limited to April 1 this year to June 30 next year.

Children' payments without one spouse being physically required to be absent from the home?"

THE PARTIAL tabulation shows that 24 per cent say no, and 12 per cent are "undecided."

Baldwin recently spoke in favor of House Resolution 2693 which he introduced, and HR 3865 introduced by another congressman, during hearings of the House Ways and Means Committee.

Both bills propose to eliminate the father's absence as a requirement, but Baldwin's bill is a permanent provision, while the other is limited to April 1 this year to June 30 next year.

School Chairman Urges Shots

The need for both Orinda's children and adults to be protected against diphtheria, smallpox, tetanus, and polio was stressed today by Mrs. Margaret O'Brien, health chairman for the Orinda School District.

"Parents are usually careful to get shots for their babies, but they forget that teenagers and adults still need booster shots every five years," Mrs. O'Brien said.

She urged Orindans to see their family doctor for immunizations.

If there is difficulty obtaining these services privately, they may attend a special Health Department immunization clinic to be held next Friday from 2 to 4:45 p.m. at the American Legion Hall, First and Mt. Diablo Blvd., in Lafayette.

Two Orindans Join the Navy

The U.S. Naval Reserve Electronics Division 12-14 in Concord, yesterday announced the enlistment of Dale Pilgrim and Robert K. Shurtliff of Orinda.

Pilgrim, who attended Miramonte high school in Orinda, resides with his parents, Mr. and Mrs. A. M. Pilgrim at 95 Estates Drive, Orinda.

Both enlistees are currently attending Diablo Valley College.

Orinda Chemists To Present Papers

Research chemists from Shell Development Company's Emeryville Research Center will present technical papers at the 139th National Meeting of the American Chemical Society in St. Louis.

"Trimethylene Glycol in Unsaturated Polyester Resins" by C. A. May, R. W. Tess and T. F. Mika, will be presented by May to the division of organic coatings and plastics chemistry.

"Determination of Small Amount of n-Paraffins by Molecular Sieve-Gas Chromatography" by F. T. Eggertsen and S. Groenings will be presented by F. M. Nelsen to the division of petroleum chemistry.

Nelsen will also present "Determination of Volatile Hydrocarbons in Aqueous Emulsions and Latexes by Gas Chromatography," which he wrote in co-authorship with Eggertsen and J. J. Holst, to the division of petroleum chemistry.

Wrights and Ellis' Vacation

Spending a few days at De Monte Lodge, Pebble Beach, are Orinda residents: Mr. and Mrs. Frank H. Wright of Miner Road and Mr. and Mrs. D. G. Ellis of St. Stephens Drive.

LEGAL NOTICE

OFFICIAL NOTICE OF SALE OF SCHOOL DISTRICT BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of Contra Costa, State of California, at the office of the County Clerk and ex-officio clerk of said Board of Supervisors in the Hall of Records, City of Martinez, in said County, California, on Tuesday, the 21st day of March, 1961, at the hour of 10:30 o'clock a.m., for the purchase of bonds of Orinda Union School District, of Contra Costa County, State of California, more particularly described below:

ISSUE: \$115,000, 1957 School Bonds, Series D, consisting of 115 bonds of the denomination of \$1,000 each, numbered D-1 to D-115, inclusive. Said bonds are part of an authorized issue in the aggregate principal amount of \$950,000, of which \$131,000, designated Series A, have heretofore been issued and \$113,000 are now outstanding; \$232,000, designated Series B, have heretofore been issued and \$210,000 are now outstanding; \$105,000, designated Series C, have heretofore been issued and \$100,000 are now outstanding.

(The remaining \$367,000 principal amount of said authorized issue may be sold when and as determined by said Board of Supervisors, but it is anticipated will not be offered for sale prior to November 1, 1961.)

DATE: All of said bonds are dated June 1, 1961.

INTEREST RATE: Maximum five (5) per cent per annum, payable annually for the first year on June 1, 1962, and semi-annually thereafter on December 1st and June 1st in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate or rates stated in the bid must be in multiples of 1/4 or 1/20 of one per cent per annum, payable as aforesaid.

MATURITIES: Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

\$5,000 principal amount of bonds of Series D shall mature and be payable on June 1st in each of the years 1962 to 1966, both inclusive; \$6,000 principal amount of bonds of Series D shall mature and be payable on June 1st in each of the years 1967 to 1981, both inclusive.

PAYMENT: Both principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

EXECUTION AND REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said District. Said bonds will be executed by the manual signature of at least one official authorized to execute the bonds. Said bonds are registrable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on January 22, 1957, and will be issued and sold for the purpose of raising money for authorized school purposes.

SECURITY: The bonds are general obligations of said District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said District, subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Internal Revenue Service or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION

The legal opinion of the following firm, approving the validity of said bonds, will be furnished to the successful bidder without charge: Orrick, Dahlquist Herrington & Sutcliffe, Attorneys at Law, 405 Montgomery St., San Francisco 4, California. A copy of the legal opinion, certified by the official in whose office the original is filed, will be printed on each bond at the expense of the successful bidder if requested in his bid.

TERMS OF SALE

HIGHEST BIDDER: The bonds will be awarded to the highest responsible bidder or bidders, considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of said bonds to the respective maturity dates thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The lowest net interest cost shall be computed on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

RIGHT OF REJECTION: Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; unless such time of award is waived by the successful bidder.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be within 30 days from the day of sale, but not prior to the date of the bonds.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within 10 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of Orinda Union School District, of Contra Costa County."

BID CHECK: With each bid must be submitted a certified check or cashier's check for \$5,750, drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices and the Board of Supervisors will deliver to the successful bidder a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the bonds. Dated: February 21, 1961.
W. T. PAASCH, County Clerk and ex-officio Clerk of the Board of Supervisors of Contra Costa, State of California.

ZACH MONTGOMERY, recently elected president of the Contra Costa Fire Commissioner's Association, is shown with his sons, Robert, Kenneth, Stephen and Ronald at the family's Overhill Road home. Zach, who has served Orinda as Fire Commissioner for nine years, is a former Orinda Association president and a past chairman of the Civic Affairs Committee.

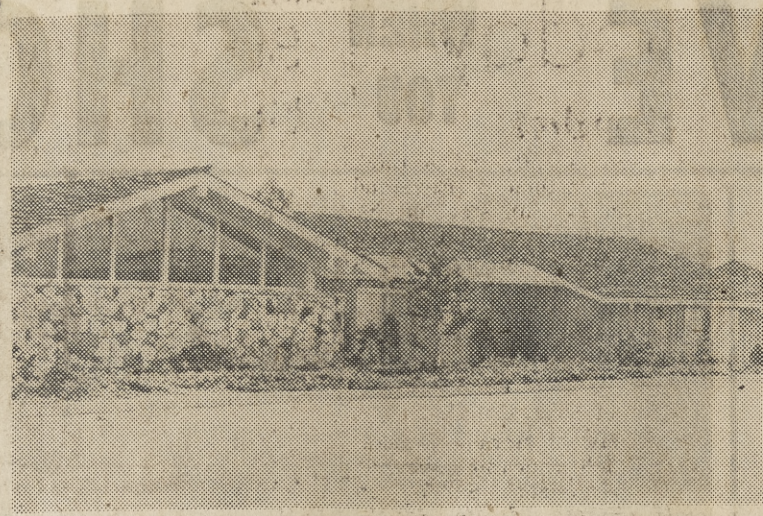

Mrs. D. P. Krotz Elected Head of GOP Federation

Mrs. Donald P. Krotz of 44 Monte Vista Road has been named Northern Area president of the State Federation of Republican Women's Clubs.

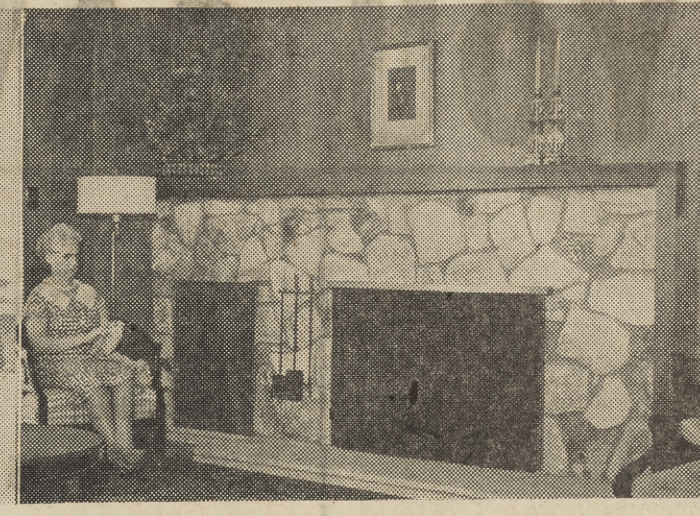

She was elected during the group's biennial convention held in San Mateo and succeeds Mrs. Meritt R. Hosmer of San Carlos, who earlier this year was elected state president of the federation.

Mrs. Krotz also serves concurrently under Mrs. Hosmer as federation vice president. A graduate of the University of California, Mrs. Krotz has been a member of the California State Republican Central Committee for the past five years and is a past president of the Orinda Republican Women's Club.

Active in the community, Mrs. Krotz is past president of the Orinda Parents Club, the Aca-lanes High School Parents Club and the Women's Guild of the Orinda Community Church.

A VIEW as lovely as the home itself may be seen through the windowed ends of the garage of the H. F. Latter home, 16 Donald Drive. Sphere light fixtures are used at the front entrance, in the garage and on the patio, lending man-made beauty to the home at night when the natural beauty is obscured by darkness. An arrangement of rock, bulbs, ceanothus and juniper form part of the landscaping by Thomas Uno. The home was built two years ago by Stanley Bergesen.

CHERRY PANELING adds its warm lustre to the living room of the Latter home where Mrs. Latter is pictured knitting before the unusually beautiful fireplace. Four kinds of stone, palo verde, red lava, driftwood and volcanic form the fireplace. Chinese brass candlesticks accentuate the mantle above which hangs a reproduction of Rembrandt's self portrait.

—Sun photos by Erwin Mattson.

In the Classroom...

Glorietta: Conservation

Mrs. Margaret K. Anderson, the former principal of Glorietta School, came to visit all of her friends at Glorietta School on March 7. She gave a talk on conservation.

She told us about two men who were friends to plants and animals. One man's name was John Muir. He made a long journey from Massachusetts on foot to the far south. While there, he became very ill and some kind people took him in and made him well. He crossed the Isthmus of Panama and came by ship to San Francisco.

MRS. ANDERSON also told us about a man named Luther Burbank. Luther experimented with plants and became famous for developing new kinds of flowers, fruits and vegetables. Before he came here, all potatoes were small with a reddish skin. He produced a larger brown potato.

Del Rey: The Flag

Paying homage to our flag is not just weekly ritual for the school. It is also an important part of the daily program in each classroom.

Reported as an example by a Thursday visitor to Mrs. Andrew's second grade class was the salute to the flag following by the singing of "The Star Spangled Banner," both led by Jane Parrell.

Utah Offers Park Trail

A four and one half mile park trail has been offered to state and county officials by William U. Barnes, manager of the Moraga Ranch properties of Utah Construction Company.

The trail would be a key link which could eventually connect the East Bay Regional Parks to Mt. Diablo State Park. Varying in width from 100 to 200 feet depending on terrain, the trail extends from Redwood Canyon southwest of Moraga to a point on Bollinger Canyon Road, about three miles from Alamo.

George Cardinet, Jr., president of the Concord-Mt. Diablo called the permanent easement offer "most generous and public spirited."

The new trail section, part of the Contra Costa County master plan for recreation has been tentatively accepted by Mel Nielsen, county board of supervisors.

Orinda Couple Tops Tourney

Mr. and Mrs. Arthur Anderson of Orinda tied for first place in Class A at the first mixed golf tourney of the year at Diablo Country Club.

Mr. and Mrs. Bailey Justice of Diablo were the other first place couple. Both teams shot a net score of 142.

Runnerup in Class A were Mrs. Hal Root of Danville and Mr. Earl Cannon of Diablo.

Mr. and Mrs. Bruce Fratis of San Francisco took Class B honors followed by Judge and Mrs. Lewis Leraca of Oakland.

Awards were presented to the golfers by Tournament Chairman Robert Allen at dinner party attended by the 138 participants.

"House" Elects Miss Mary Foster

Miss Mary Foster, daughter of Mr. and Mrs. William H. Foster of One Westway, Orinda, and a senior at Pine Manor Junior College, Wellesley, Mass., was recently elected president of her house for the second semester.

Artists Also Like Food; Stolen Painting Is Back

Games, laughs, and eats are in the plans for the Diablo Art Association, at the Walnut Creek Women's Club, Lincoln and Carmel, March 27.

Members will combine their cooking talents, making such palatable dishes as cadmium carrot pile, free-form omelettes and vanilla abstracts.

During the "Painting of the Month" contest, artists will bring in their latest efforts hot off the easel to vie for the three prizes.

NEW MEMBERS in the Diablo Art Association are Mrs. Mariette Lemon, Mr. and Mrs. Robert Reedy, Jeanne L. Giacomini, Mrs. Lynne Collins, Jos. H. Bennett, Mrs. Ruby Endriss, Ruby A. Shirato, Dona B. Krul, Ardis Birchard, and Carolyn McCausland.

Ruth Hussey, who last month reported a stolen painting, now reports that the thief packaged the portrait very carefully and sent it back. "I don't know whether to be pleased or insulted!" says Ruth.

Katie Hassler, exhibit chairman for the Diablo Art Association, announced nine one-man shows in Walnut Creek for March.

Doris Whipple of Danville is exhibiting her paintings in the Walnut Bowl of Walnut Creek. Delora France, also of Danville, has a display of oil paintings in the Danville Village Theatre.

ANOTHER Danvilleite, Fred Pring, is featured in the Nut Bowl with watercolor landscapes.

Oil landscapes by James Little of Walnut Creek may be seen in Compton's in Walnut Creek. An Orinda artist, Thyra Schaeffer, has a show in Kaiser's Hospital.

Lida Lawson from Alamo is featured in Pillsbury's Stationery Store in Walnut Creek. Suburban Carpets in Walnut Creek house the paintings of Anne Anselmo.

Patrons of Ralph, Joseph and Owen enjoy the paintings of Ida Nardini of Walnut Creek.

THE WINNERS of the "painting of the month" contest are showing in Marshall Pioneer Real-

Miramonte Mirror

Career Night Draws Crowd, 'Changes' Outlook

By CAROL PEDERSEN & SUSAN COX

Monday night Miramonte held its annual Career Night sponsored by the Rotary Club. Career Night is designed for upper classmen to help them choose a career.

There were various panel discussions on such topics as medicine and dentistry, science and research, professional arts, governmental service, secretarial science, engineering, political science, and law.

THE PROGRAM was set up in such a way as to allow each student to attend three different panel discussions. There was debate among the panelists and then a student question session. Since it was mandatory for the seniors to attend, their outlook on the future has changed considerably. Many wonder if all this planning and work is really worth the bother.

THE MIRAMONTE Ski Club, a group of enthusiastic skiers, leave this afternoon for a weekend of frolicking in the snow at Sugar Bowl. This is the last ski trip of the year for the ski club unless people start showing a little enthusiasm!

"TWILIGHT IN THE TROPICS" was the theme of the semi-formal dance put on by the junior units of the Mt. Diablo Therapy Center Saturday night at Diablo Valley College. George Libbey and his band provided terrific music which added just the right touch to the South Seas atmosphere.

Some of the couples present were Leslie and Abbas Haghighat, Nancy Henry and Gary Holtwick, Marilyn Brown and Mark Lawrence, Donnette Rutherford and Doug Hudson, Donna Walker, and Rich Babcock, Sally Holabird and John Walker, Linda Mather and Kirk Akin, Sandy Grilli and Tony Hudson, Terry Landy and Ray Aldrich. Beautiful luggage was given away as a door prize; also various other small items were given to the holders of the lucky tickets.

TINA COLE, Karen Weatherbe and Pam Dermit prepared a scrumptious native dinner of curry, rice, watermelon and other goodies which they served to Rock Layne, Bill Kent and Pete Yedidia amidst a setting of tropical splendor with blue and lavender lighting, candles floating in the pool, and a low Indian type table complete with authentic Indian dishes.

A wonderful time was had by all and the food was said to be delicious.

SENIOR PLAY—"Dirty Work at the Crossroads," (Orinda Night Life). Date—April 28, 29 in the Miramonte gym. A typical melodrama in which mean old Munro schemes to take poor Nelly's ranch from her. Cast is as follows: Tina Cole, Nelle Lovelace; Marion Hunt, Widow Lovelace; Vicki Indig, Mrs. Asterbuilt; Barb Syverud, Neoni Asterbuilt; Robin Brown, Little Nelle; Joan Eberheart, Ida; Phil Stevens, Adam Oakheart; Bob Carpenter, Munro Mergatroid; Bonnie Willes, Maid; Jim Denning, Moogie.

Rick Bagley had to wash his car off after Career Night as did Josh Jensen. Seems we have a few ambitious seniors who can't resist washing cars at any time of the day or night!

Tonight the Wheel Club dance will be held in the gym at Miramonte, from 8 to 11 p.m., and it's free! Everyone welcome with student body cards.

THE POM-PON girls ended the athletic year of games and fun with a celebration after the Piedmont game last week. All eight of them headed for the Bar-B-Que Pit in Walnut Creek for dinner. Friday night they held a small party at Mary Moorehead's house. Those who attended were Roz Starkman and Bill Caldwell, Pam Pearson and Doug Hudson, Connie Cook and Jack Gilbert, Sherry Croci and Andy DeGrassi, Jan Miller and Don White, Mary Moorehead and Bob Welch, and Nancy Englehard and Dick Stark.

A little reminder: Punctuality!!! Walter Altorper better not be late again!

BLOSSOM TIME, a salad luncheon and card party will be held at the Inland Valley School on Wednesday by the Parents Club. Mrs. William Easterly, left, is chairman of the tally-tickets. Mrs. Raymond Kline, right, is decoration chairman. Reservations may be made by calling Mrs. A. K. Flanagan, CL 4-2030, or Mrs. M. M. St. John, CL 4-2030.

W. P. Mott Honored at Dinner

William Penn Mott of 62 Ar-dilla Road was honored yesterday at a testimonial dinner in the Sidney Snow building at Joseph R. Knowland State Park.

Mott, superintendent of the Oakland Park Department since 1946, is considered by his colleagues to be one of the nation's leading designers of parks.

He recently acted as consultant for the Institute of Inter-American Affairs in Costa Rica park department, assisting in the development of a national park system in that country.

Red Cross To Launch Campaign

The American Red Cross, Greater Mt. Diablo Chapter, will launch a "larger than usual" Balance of Need campaign.

"United Crusade provides Red Cross with a major portion of Red Cross' financial needs. But this Red Cross chapter must raise the balance of its 1961 needs because Crusade did not reach its full goal," according to Chapter Chairman Richard Hurley.

Many community residents will be contacted by Red Cross and asked to assist in this campaign.

Acting as fund chairmen are Mrs. Robert W. Dyer and Robert I. Schroder. Col. C. W. Parham is the chapter public information chairman. These, and some 750 others, are all unpaid volunteers.

Immunization Clinic Set For March 17

The next County Health Department immunization clinic for the Lafayette area will be held at the American Legion Hall, First and Mt. Diablo Blvd., from 2 to 4:45 p.m. on March 17, for all persons who have difficulty obtaining these services privately. Immunizations are best secured from one's own private physician who keeps permanent records of all services. For information about the clinic phone YE. 5-4510.

Polio vaccinations, immunizations for diphtheria-tetanus, whooping cough and smallpox are available. However, those 13 years of age and under must be accompanied by a parent or guardian, and those 14 to 21 must have a Health Department consent form signed by their parent or guardian.

Electric Wiring Is Realtors' Breakfast Topic

Herbert Perry spoke on "Living Better Electrically" Monday at a breakfast meeting of the Contra Costa Real Estate Board.

The regular breakfast meetings are held at the Walnut Creek Elks Club.

Perry is the new builders representative for the Pacific Gas and Electric Company.

He said real estate people should be interested in the requirements of an adequately

Fire Dept. Commended

Clarence G. Smith of 11 Los Conejos, the recent victim of a heart attack, has commended the Orinda Fire Department for their prompt action which he believes saved his life.

Smith described the attack as occurring in the early morning and cutting off his breathing. He said five men from the Village Fire Department arrived with oxygen and resuscitator and rendered first aid until the doctor and hospital ambulance arrived.

Librarians To Meet April 12

"Cooperation Through Communication" will be the theme of a joint institute for public and school librarians to be held April 21 at Diablo Valley College.

Co-sponsored by School Library Directors, County Free Library and Contra Costa County Superintendent of Schools, the event will mark the conclusion of National Library Week.

An afternoon workshop program will be held from 4:30 to 6 p.m. and will be followed by a dinner meeting.

Walter Harris, county schools librarian, is general chairman. An afternoon panel will discuss library problems. Speakers will include a panel of three school and three public librarians.

Bernard Van Horne, administrative assistant, County Library, will be after-dinner speaker and will discuss "Communication."

Miss Jones Is Orchestra Member

Norita Jones, daughter of Mr. and Mrs. William H. Jones, 22 Charles Hill Road is a member of the University Symphony at the University of California, Santa Barbara. The orchestra will give their third concert of the academic year on March 8 at

Go to Church Sunday

Lutheran

"Give Account of Yourself" will be the theme of Pastor Hidy's meditation this Sunday at Shepherd of the Valley Lutheran Church, 433 Moraga Way, Orinda. Worship services are at 8 and 11 a.m. A nursery is provided during the 11 a.m. service in the Parish House.

Sunday school classes begin at 9:30 a.m. with classes for all ages.

Pastor Hidy will continue with classes for those interested in learning about the Lutheran Church. Classes are at 8 p.m. Sunday evening in the church.

Mid-week Lenten meetings are at 8 p.m. Wednesday evening. A colored film will be shown, "Betrayal".

Episcopal

St. Anselm's Episcopal Church will sponsor an acolyte breakfast and holy communion service tomorrow morning at 9 a.m. in the parish hall, 682 Michael Lane.

This is for all St. Anselm's acolytes and those boys between the ages of 11 and 18 who wish to become acolytes. Tom Fowler is in charge of the acolyte training for the parish.

Another special event is the church high school basketball game and dinner, to be held this Saturday evening at 7 p.m. at St. Stephens Church, Orinda. Harold Hollister is in charge of the St. Anselm's basketball team.

Church services for Mothering Sunday, the fourth Sunday in Lent, are 8 a.m. holy communion, 9:30 church school and holy communion, 11 a.m. morning prayer and sermon by the Rev. Clarence Stacy and 7 p.m. evening prayer.

Lutheran

"Will Your Prayers For Others Affect Their Lives?" will be the sermon theme of the Rev. Merle O. Tollefson at Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette, for all three services this Sunday morning. The early bird service is conducted in the chapel at 8:15 a.m.

The family worship service at 9:30 is a part of the regular Sunday school session which follows at 10:20 with classes for all ages including two adult classes.

The third service is held at 11:10 with a special Sunday school meeting simultaneously for those three years old through the third grade.

The Junior Luther League will meet for a progressive dinner Sunday evening at 6 p.m. A youth instruction class will meet at 8 p.m. on Sunday evening.

Baptist

"Buried Treasure" will be the sermon topic of the Reverend Alan D. Southwell at the 11 a.m. worship service of the Moraga Hills Community Baptist Church this Sunday located one-half mile from Rheem Center on Moraga Road.

Sunday church school for all ages begins at 9:45 a.m. The adult class continues its study on the "Life of Jesus" with a discussion of the "World Jesus Lived In." A nursery is provided during both Sunday school and morning worship.

This Sunday is family Sunday with a special service for the whole family. The junior choir which meets each Friday afternoon at 4 p.m. will provide special music.

Presbyterian

The theme of Dr. White's sermon of the Moraga Presbyterian Church will be "Our Christian Vocation" this Sunday.

The Moraga Valley Presbyterian Church meets for its service of worship each Sunday morning at 11 o'clock in the Old Moraga School Building. The public is cordially invited to worship with us.

The church school from the nursery through the junior departments meet during the hour of worship at the Old Moraga School.

The Junior High Westminster Fellowship meets at 11 o'clock at the home of their sponsors, Mr. and Mrs. James Roberts, 216 Ivy Drive, Orinda.

The adult communicant's seminar will meet from 6:30 to 9:30 p.m. at the Old Moraga School on Sunday.

Latter Day

The Lafayette-Orinda Ward of the Church of Jesus Christ of Latter Day Saints, under the direction of Bishop Edmund Y. Wells, is holding services at the Walnut Creek chapel, 2369 Overlook Drive, and at the Veterans' Memorial Building in Lafayette.

Priesthood meeting is at 8:15 a.m. in the Veterans' Building every Sunday.

Sunday school is held at 10:25 a.m. in the Walnut Creek chapel and Sacramento service is held in Lafayette at 5 p.m. Sunday.

Presbyterian

The Lafayette-Orinda Presbyterian Church, 49 Crest Road, Lafayette, will join in observance of the "One Great Hour of Sharing" and Girl Scout Sunday during worship services on Sunday. The Rev. William Carl Thomas will deliver the sermon "The Cross and Human Pain" at the morning services, at 8 a.m., 9 a.m. and 11:15 a.m. The junior high choir will participate in the services.

The 9 a.m. service is the family worship and study, with church school classes being held at 10 and 11:15 a.m. Nursery care only will be provided at 8 a.m. and classes for all children through kindergarten will be held from 9 to 10:45 a.m. and at 11:15 a.m.

Episcopal

On the fourth Sunday in Lent, Holy Communion will be administered at 7:30 a.m. by the Rev. C. Corwin Calavan, with the morning prayer services at 9 and 11 a.m., in St. Stephen's Episcopal Church on Via Las Cruces in Orinda.

Senior high study classes will be in session at 9 and 11 a.m., with the evening meeting of the senior EYC being held at 7 p.m. in the undercroft, at which time the Rabbi David Robins will address the group. Also at 7 p.m., members of the junior EYC will meet in the church school building.

Christian

"The Bridge Builder" is the sermon topic of the Reverend Darwin A. Mann of the Lafayette Christian Church, 3419 Golden Gate Way.

Morning worship services begin at 10 a.m. with church school classes for all ages at 9 a.m. Nursery care is provided during both hours.

The CYF has invited a panel of church members to participate in a "Vocation Night" at its 6:30 meeting. Each member of the panel will discuss his own profession, following which there will be an opportunity for individual discussion with the leaders.

Suburban

This Sunday morning at the 11 a.m. worship service of the Suburban Bible Church the Rev. Lester Wait will speak. Also at 10 as well as 11 missionaries will speak to the church family and friends.

Nursery facilities will be provided at both services and the public is cordially invited.

The Sunday services are held at the Lafayette Veterans Building.

Methodist

"A Load, A Lift, and A Life" is the sermon topic of Reverend John Dodson, minister of St. Mark's Methodist Church which meets at Miramonte high school Sunday at 11 a.m.

At 9:45 a.m. church school for all ages and at 11 a.m. special classes for all those in the first to fourth grades. Child care is provided at each service.

Don Preiss of Moraga is leading an adult education seminar at 9:45 a.m. each Sunday on "Great Heroes of the Bible." This group is open to all Adults in the community.

Covenant

The Sunday school of Hillside Covenant Church, 2060 Magnolia Way in Walnut Creek, extends a welcome to children and their parents to attend its class sessions which meet at 9:45 a.m.

In the absence of Pastor William C. Mays, the pulpit will be occupied by Reverend C. Milton Strom, editor of the California, a Covenant publication. Small children may be left in the nursery during the morning worship hour.

Community

The Reverend Chauncey Blossom will continue his series on the subject of prayer at the 9:30 and 11 a.m. services in the Orinda Community Church, 10 Irwin Way, preaching on "Prayer and Our Needs."

The Girls' ensemble will sing "Alleluia" by Mozart at the early service and the Sanctuary Choir will sing "He That Dwelleth" by Glarum at the later hour.

Church school classes for 3-year-olds through the eighth grade will be held during both services. Baby care is provided.

Baptist

The topic at the First Baptist Church of Orinda-Lafayette this Sunday morning will be "Readiness of Mind." The pastor will be bringing the message. Additional Sunday services include Sunday school at 9:45 a.m. under the leadership of Kenneth Bull and Baptist Youth Fellowship at 6:45 p.m.

The Sunday evening evangelistic service begins at 7:30 p.m. The message of that hour will be "Out of This World" taken from 1 Cor. 5:10.

A cordial invitation is extended to all to attend the services of the church.

Moraga Minutes

Buds, Babies, New Hats Blossom in Profusion!

By YVONNE MAUZEY
DR 6-4083

'Tis spring and the women's headgear blossoms as a sea of flowers at the spring fashion shows. March is really a month for fashion shows, with the Quail unit show just over, the John Muir Hospital Guild's "Day at the Races" coming up and the Athens Club fashion show all this month.

The new spring hat and wardrobe will get their work out this month! The ground hog sure was right this time for we have had beautiful sunny days for about three weeks now.

The mumps and flu are still with us. Maybe the spring sunshine SANDY, DEBBY, Chris and Dick Gorow have all had the flu, one at a time. Now Sandy is home with the mumps. Hope the rest don't follow the leader. Dottie must be getting tired of the nursing career.

Natalie Caldwell has also had the mumps and is fine now. DeDe Weir has been down with pneumonia and is doing fine now. Johnnie Baitx is home from the hospital. This boy must really be strong to chase the germs off so quickly. Let's all send cards as this is something he enjoys very much.

WELL, OUR FERTILE valley has been having at least one newcomer a week, and this week is no exception.

Dick and Jo Rogers were delivered a new son by the stork February 28 at the Merritt Hospital. Their 6 lb. 12 oz. boy has been named Ricky.

Bob and Jean Ottosen, one of our newer residents, have presented our neighborhood with another boy, Johnny, on February 27. Johnnie checked in at the Kaiser Hospital weighing 7 lbs. on the nose. Jean is home now feeling fine.

Have you noticed all the babies born for a long period of time last year were girls, then the tide turned and there has been nothing but boys for awhile?

All the babies in our area I know of this year have been boys. This is Moraga's "Year of The Boy."

DICK GOROW was off work for a rest last week. He and Dottie planned to go to Reno for a few days. Just the two of them to get away from it all.

Charles Toll and Dr. Morgernstern attended a transportation meeting at the Acalanes High School Administration offices last Thursday night. This meeting was for the annual report, cost, etc., involved for the years transportation. Bus safety was discussed.

The new bus safety visibility law enacted by the state has been a topic of discussion especially in the Orinda areas.

Mr. Toll informs me this will not affect any of our present bus stops for the Rheem School.

I hear the Ravers of Larch Avenue have sold their property in three sections and left our area for Salt Lake City.

St. Mary's Open House This Sunday

From all parts of California and many other Pacific Coast areas, hundreds of parents and friends of Saint Mary's College students will converge on the Moraga Valley campus for the Gaels' fourth annual open house Sunday.

Themed this year to "The Nature and Function of a College Administration," the formal portion of the open house will center around a series of talks in the college gymnasium by administrative officials and student officers.

The theme motif is a distinguishing characteristic of the annual open house at Saint Mary's.

Planned in a four-year cycle, it enables the parents of each student to become familiar with major aspects of the college and how they influence their son during his four undergraduate years. The first open house in 1958 centered around "The Student in Extra-Curricular Activities"; 1959, "The Student in Class"; 1960, "The Faculty," and 1961, "The Administration," which highlights the people behind the scenes and their functions in the operation of the college.

The afternoon will open with welcoming addresses by Brother S. Albert, F.S.C., president of Saint Mary's, and Dick Woods of Phoenix, Ariz., president of the Associated Students.

Other talks will be given by Brother U. Albert, F.S.C., vice president and director of relations with schools; Brother Xavier, F.S.C., vice president of development; Brother Cassian, F.S.C., dean; Brother S. Dominic, F.S.C., associate dean and chairman of the School of Liberal Arts, and Tom Ross of Alameda, president of the senior class and general chairman of the event.

Also participating in the program will be the Saint Mary's Glee Club.

A picnic luncheon, informal chats with faculty members, and tours of the campus will follow. Among the featured attractions

for visiting parents will be a demonstration of the new closed circuit TV installation in the biology laboratories; the new language laboratory, exhibits in the Keith gallery and library; and a rugby game.

The day will close with benediction in the college chapel at 5 p.m. Assisting Ross in preparations for the open house are Dave to an American Cancer Society Recupero of Pomona; Gary Gia-

mini, Balvedere; Pat Fleet, San Diego; Peter Spinetta, Oakland, and Woods. All are members of the Student Development Committee.

MEDICAL CARE

Approximately 66,000 Californians will be under medical care for cancer this year, according to the American Cancer Society report.

Controversy Over Welfare Rages Statewide

District Attorney John Nejedly's campaign to use the county's law enforcement machinery to track down men who have deserted their families and children, and to discourage repeated additions of illegitimate children to the Aid to Needy Children rolls have been described as "... a long step backwards into ... (the) age of darkness and repression ..."

Although he did not name Nejedly, Professor Jacobus tenBroek, chairman of the State Social Welfare Board, recently referred to Nejedly's efforts to obtain evidence in ANC cases. tenBroek spoke to the California Social Welfare Workers Organization, Region 2, in Berkeley.

HE SAID that whenever constitutional protections are relaxed (inferring that they are threatened in Contra Costa County) then trouble begins.

He told welfare workers, "... when the police become the state, or when the law of crimes supersedes the civil law and the law of welfare—we take a long step backward into that age of darkness and repression whose appropriate symbols are the debtor's prison and the Tower of London, Beldam and Devil's Island, exile, deportation and transportation."

He continued, "For entire vast complex of human problems involved in poverty and vice, the law of crimes has even prescribed the same corrective, varying only in degree: that of suppression and detention."

"The law of welfare prescribes the opposite: liberation, opportunity and incentive."

"IN THE MODERN perspective of welfare, there is no single or simple solution to all the ills that flesh is heir to, but there is a singular purpose and common denominator."

"Economic problems of poverty and unemployment require economic measures, democratically devised and fairly executed ..."

tenBroek said that there are laws against fornication and other such vices, but "... application is selective and discriminatory and selective ... only ANC mothers (mothers receiving ANC funds for support of children, in absence of husband) and those found with them know its penal sanctions ..."

tenBroek referred to the Contra Costa district attorney's office handling of two ANC mothers and the boy friend of one of them. Fraud and theft were the charges.

HE SAID, "... These three persons whose private lives and intimate relationships received the searching scrutiny of penal officials and obsessed attention

referred to Congressman John Baldwin.

BALDWIN HAS indicated he supports this view, and will propose it in Congress.

However, tenBroek's speech before the welfare workers brought a sharp reply from Thomas Douglas, Orange County welfare director.

Douglas said tenBroek's comments were "... the biggest blow against the common garden variety of morals ever to come from an official governmental source."

Douglas added, "... You can't legislate morality, I'll agree to that."

"BUT WE don't have to put a public premium on immorality with loose living and support it with public funds."

"It's an order to license in-

formal and state supported houses of ill repute, immorality and illegitimacy, and according to this man (tenBroek), failure to license them puts us back in the dark ages of the Tower of London."

Douglas said, "It has never been the job of welfare departments or welfare directors to preach religion and morals to those who come for help."

"... But in the name of God, do we have to subsidize indecent and immoral homes in which to keep the children we're trying to help?"

REFERRING to the application of law against Mexicans, he said, "Do we have to accept the looseness of Mexican law, and force the taxpayers to pay tribute to it?"

He added that during the 1959 legislative session, some eight state senate bills and five assembly bills "aimed at stopping ANC payments to unfit homes" never got off the floor.

One bill was passed by both the Senate and Assembly, but was pocket vetoed by Governor Edmund Brown.

Brown, in his recent message to the state legislature, said "... we (should) put the saving of children first, the saving of money second."

BROWN SAID, "... I recommend that we take a hard, yet sympathetic look at the Aid to Needy Children program."

"It should be a hard look because we plainly must take some new precautions against fraudulent conduct by unscrupulous parents."

"But in reviewing this statute, our dominating concern must be

for the children involved. I urge that in our priorities we put the saving of children first, the saving of money second."

"In addition to taking effective action to eliminate fraud from this program, I recommend that the counties be given much-needed financial assistance to improve the quality of the local administration of this program by welfare departments."

"In most cases, their personnel are now too burdened with other caseload work to give adequate time and attention to this program and its opportunities for family rehabilitation," Brown said.

SWALLOWING Persistent indigestion or difficulty in swallowing may be an early warning sign of cancer, the American Cancer Society says.

ORINDA SUN

New and beautiful

SPRING FASHIONS

Spring arrives, and with it, the loveliest fashions . . . in all the hues of the rainbow. Shapes in suits, coats, dresses and costumes show easy grace, and colors get together in daring new combinations.

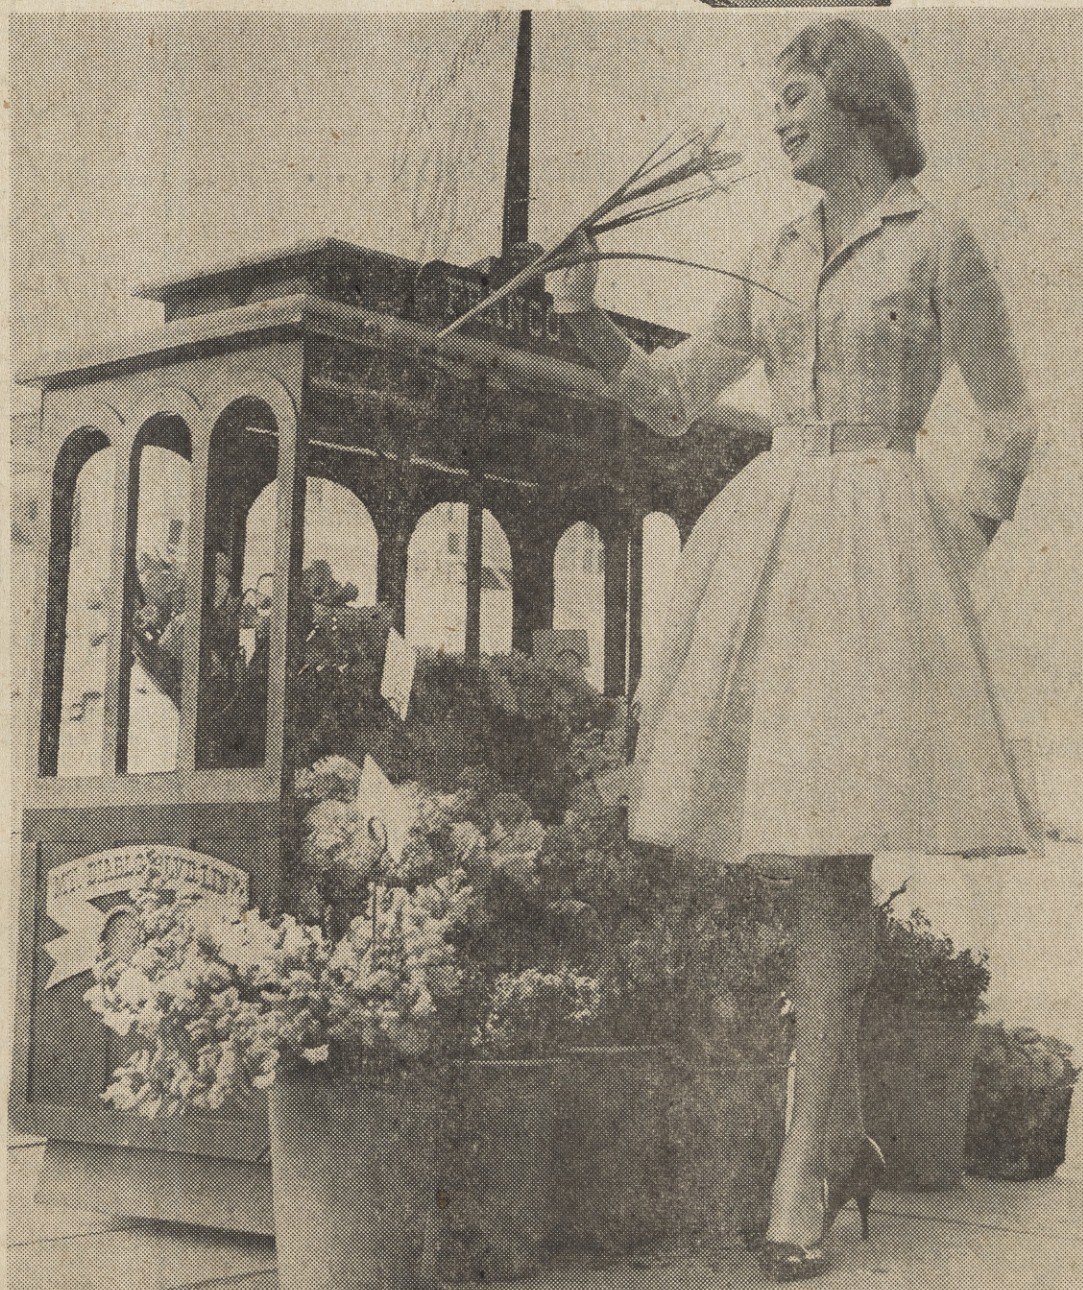

Accessories are ready to accent the feminine, well-dressed look.

ANNE CUNNINGHAM is wearing a three piece sheer wool costume with Surra print blouse and jacket lining to match. The suit of Delphinium blue is complimented by the new style hat of eavy basket weave straw, and an ombre leather purse, leather lined with scalloped detailing. Tis may be seen at Virginia Hammond in Orinda Village.

A LIGHT WEIGHT wool suit with white linen, removable sailor collar, accented by a white polka dot on red silk tie; accessorized with the very new and fashionable sombrero hat in white straw and the "east west" bag. Modeled by one of J. Magnin's girls—Sherry Kidwell.

MODELING FOR CLAUDY'S of Lafayette is Miss Jean McDowell in the new Topsy Original. It is made of aqua silk organza, with dainty lace trim. It features a deep hem and satin felt belt. In junior sizes.

FROM JO ANN'S collection of spring Kimberly knits, a beautiful Italian flat knit-two piece with flattering collar line. In beige, black or gold sand. Modeled by Jean McDowell.

All Fashion Photos by
Rod Lomas of Lafayette

Florine Burdine and Jean McDowell of Niblack Slenderizing System of Walnut Creek appeared as models.

STEPPING INTO SPRING, Miss Katherine Anne Murphy wears a charming 3-piece rayon and silk suit in aqua and white. Her marshmallow purse, gloves and head band complete the picture for Easter, and all the dress-up occasions to come for the Pre-Teen set. You will find ensembles like this at The Wishing Well in Lafayette.

AT THE SHOE STABLE, Miss Jean McDowell happily reviews an extensive array of distinctive Fredelle sandals. In her hand is a tacked heel sandal. The Shoe Stable is located in Lafayette and Danville.

Put Spring in Your Step with The Sun's Fashions!

Light Fabric Is Spring Coat Talk

Shorter lengths, lighter-weight fabrics and colors a shade or two lighter than have been popular in the recent past mark the new topcoats.

Ivy wearers still prefer the single-breasted, fly-front, chest-terfields with a slightly accented waist-line. The modified Continental models are made in button-through fronts and, for the most part, are made in the split-raglan construction that appears to be a set-in sleeve at front and a raglan sleeve at back.

The styled-up rainwear for this spring comes in a wide range of patterns including glen plaids, checks and madras-type plaids. These range from 39 inches to 42 inches in length and most are in the split-raglan models.

Patterned Fabrics Are Spring Shirt Fashions

Patterned fabrics will make a real comeback in business shirts for spring 1961. British-type stripes, spaced stripes, small overplaids and checks will all make the grade in soft as well as strong tones of blue, gray, tan and red. Ivory and olive tones will please the wearers of Ivy-type clothes.

Short-sleeve shirts in all the popular collar styles will give added comfort to the businessman in the warm weather, especially those made of the ventilated fabrics.

Sports shirts in both cut-and-sewn and knit styles will be seen more frequently in the pullover models. Engineered designs with special cuffs get new treatments. Scarf prints, batiks, madras—effects and stripes will be among the other patterns. Look for more deep solid shades for wear with boldly patterned jackets and slacks.

Pull-over sports shirts feature deep front plackets with three or four buttons. On some shirts, the placket practically reaches the belt-line of the slacks.

There's news, too, in neck styling. High V necks, boat-

necks, cross-over necks, and many with fancy colorful designs, give sports shirts a sportier, more American connotation.

Sport shirt sleeves have lots of fashion interest. Whereas the short sleeve was outstanding in seasons past, for this spring and summer the less conventional three-quarter sleeve is the favored length. Stylists of knit shirts have embellished sleeves with vents, slits and two-button cuff treatments.

Pockets, too, are not what they used to be. Now they're oversized and noted for detailing. They appear at the bottom of the shirt and on the sleeve as well as in conventional places.

I DREAMED I was a Commando, says Steve Sleeper, fully equipped by Army and Navy of Walnut Creek, while owner Irv Julius takes to the high seas in navy white duck pants, colorful sport shirt and resort hat. Rope, ship's bell, anchor, telescope all available at Army & Navy.

'Spring Around The World' Theme

"Spring Around The World" is the theme for the Walnut Creek Soroptimist Club benefit fashion show and tea tomorrow at Kellogg's Steak House, Walnut Creek.

All proceeds will go to the American Field Service to assist in bringing foreign exchange students to Las Lomas and adjacent high schools.

Mildred Gaskin is chairman. Her committee includes Mesdames Will Richmond, Milton Brown, Elliott Mauzy, Ray Rowe, R. Pellett, Vern Snedden and Dr. Baldwin. Leading Walnut Creek shops are cooperating, said Mrs. Gaskin.

Some of the exchange students will dress in their native costumes.

ARMAND JOHNSON is showing Florine Burdine a new print, golden brown tones on white background drapery fabric. Many more beautiful fabrics are yours to choose from at Armand's Drapery Studio in Lafayette.

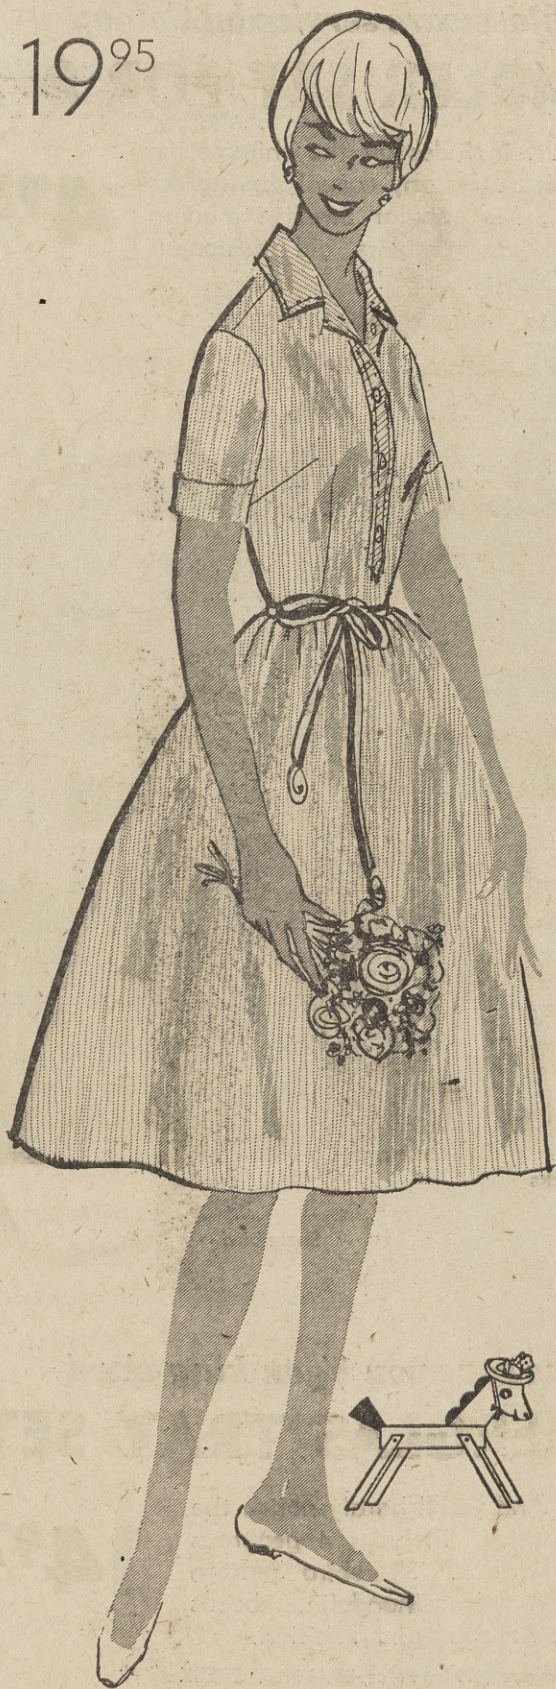

CHARLES RANCURETT of Smith's Walnut Creek Store, wearing one of their new spring Austin Leeds in a 100 per cent wool worsted. The shade is medium tone olive green. Complimenting the suit is a Resistol hat in a new smart medium brim.

Capwell's Draperies, New Third Floor
WALNUT CREEK

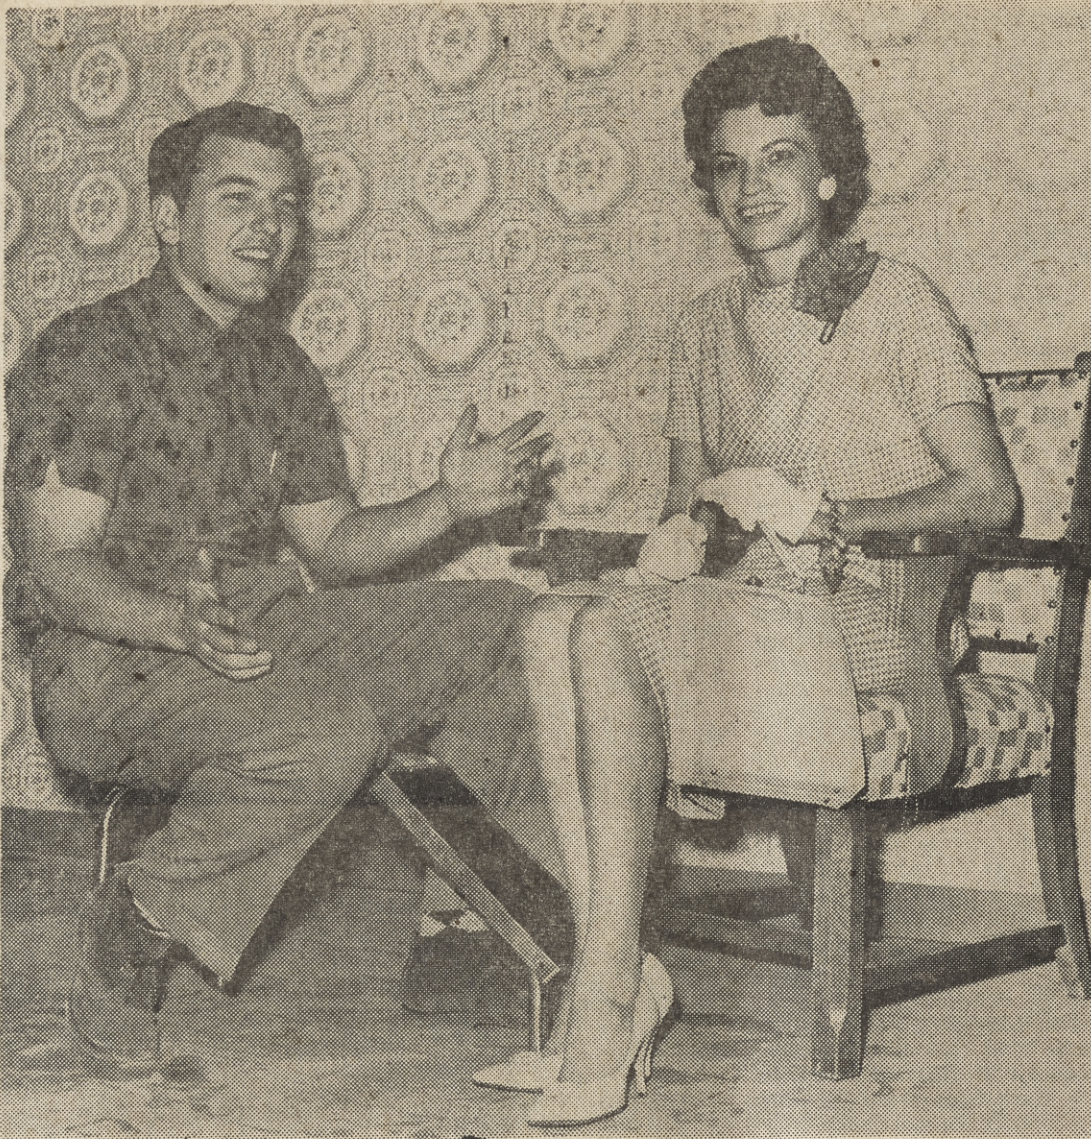

A SMART bolero jacket dress is worn by Mrs. Walt, co-owner of Clothes Horse, Walnut Creek. The dress comes in solid textured silk and rayon with contrasting bodice or check with white bodice and is highlighted by patent belt, large buttons and flap pockets.

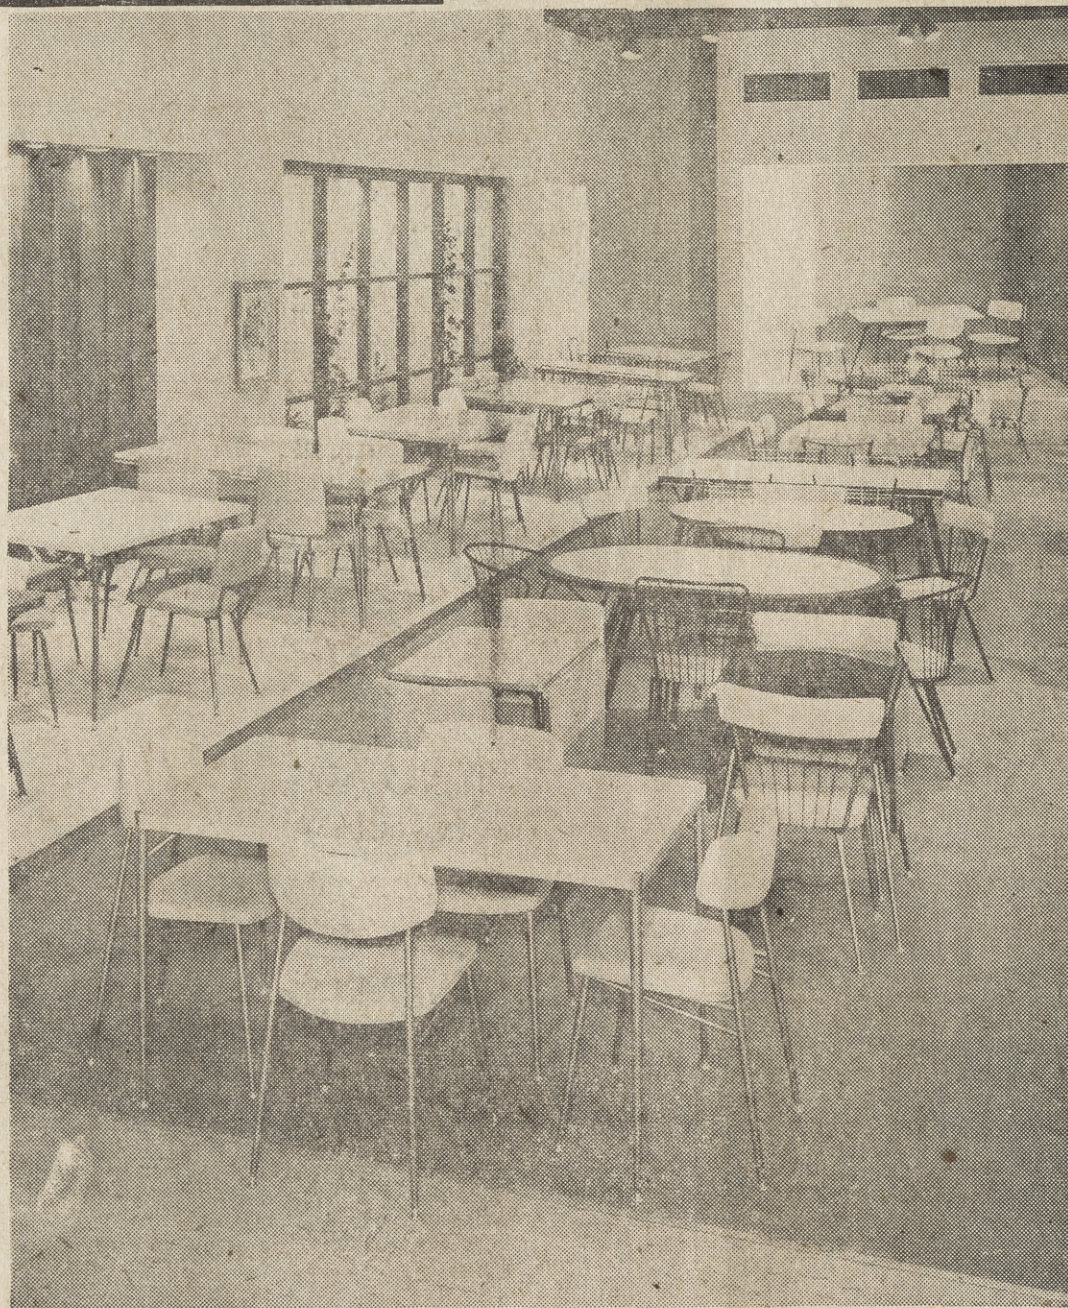

Patterns Are The Thing

Stronger patterns, more brilliant colors and a return to popularity of the underknot designs mark the new neckwear for spring.

There will be more native prints, such as batiks, and there will be more light silvery grounds accented by patterns of deeper hue. Stripes will be woven on twill.

FLORINE BURDINE is modeling "Daring" by Risque. It comes in bone calf and she is carrying a matching bag by Burne. Allan Sutton, who has just fitted Miss Burdine, will be glad to show them to you in Sutton's newly re-modeled and enlarged store in Lafayette.

Annual Sun Spring Fashion Edition

Travel on Your Mind? Fabrics Adapted to It!

People who are thinking of new wardrobes for spring are likely to be thinking in terms of travel, too. This, at any rate, is the premise from which most of the current approach to fashion has evolved.

Both fluctuating spring temperatures and travel plans call for adaptable coats, and fashion responds with capacious

styles in fabrics crisp, spongy or ribbed, but always amenable to weather changes.

New coats disclose these standout trends: cape-influenced fullness, collarless necklines and color, color, color.

Fresh-looking shape is the coat that starts with a collarless, or nearly so, neckline and then swings out in a swirl of

fabric. Then there are full coats with deep armholes and cape backs; and some "real" capes, full length or shorter.

Narrow coats are by no means neglected. They make their own fashion impact with side closings, side slashes and, of course, collarless necklines.

With simplicity the rule in styling, color gets a chance to

glow, and glow it does, in bushels of strawberry pinks, purple violets, tangey lemons — greens, turquoise, orange, too.

Designers give an enormous play to the no-collar look.

To compete, navy is brightened, beige turns to string and sand hues, black emphasizes attractive textures.

DENISE ISOLA models a Junior dress by Candy Jones of California. The full skirt is woven cotton with satiny white stripes, with white pique bodice. In candy colors for spring and summer, sizes 3 to 15. At Elsie's Sportswear, Broadway, Walnut Creek. Shoes and handbag are from Grande's, also in Broadway.

SUSAN ELKINTON wears a children's suit of 100 per cent wool by Glen of Michigan. The gray suit has a removable white collar and white pearl button trim. Junior Miss of California, modeled by Florine Burdine, right, is a three piece suit of rayon, cotton and silk with cotton print over-blouse. Suit is apricot with fringe detailing on jacket and blouse is apricot and tangerine print.

COAT COSTUMES

Dress-plus-coat vies with dress-plus-jacket for spring popularity. Newest fashion approach is to combine two or more colors, or print and solid.

COATS, TWO WAYS

Coat fashion follows two predominant lines. One is slim, influenced by the side-slashed caftan; the other is sweeping, influenced by the cape.

Suit Skirts, Jacket Lines Being Varied

New generous coat shapes make room for suits beneath, and so increase the importance of a new suit for the spring wardrobe. Suit styles, and especially the many colors, meet the demand beautifully.

Silhouettes show news and variety. Jackets are fashionable in every length from bolero to tunic. Shorter ones are interesting because they reveal the gathered waistlines of newly eased skirts. Gores, pleats, bias cuts assist in the trend to more skirt fullness.

Jacket shapes offer a choice ranging from relaxed cardigan and boxy styles to tightly fitted, with back blousing. Necklines follow the little-or-no collar trend. Draped or scarf necklines and away-from-the-neck collars also are notable.

The longer, easier jackets are often belted in leather or loosely sashed in self fabric.

The varied suit styles all emphasize figure flattery and wearability. The big accent is on color, with vivid strawberry pink leading the way. Designers

see these bright suits as especially effective under light or dark coats.

Boldly patterned tweeds, big checks and plaids appear.

As for fabrics, they have been selected with a view to making suits comfortable for wear either under coats or in warmer weather. There are many silks, and wools tend to airy, meshy textures and light weights.

Ribbed fabrics, such as ottoman in wool or crisp cotton, continue important, and knits are a special favorite, liked by

designers for their adaptability to supply silhouettes.

Since color is rampant, decorative detail has been kept to a minimum. Yoke seaming and excitingly-shaped large buttons are two important accents for simple silhouettes.

CROPPED TOPPERS

Toppers for spring stop at new shorter length—just below the waist. This is reflected both in fabric and fur.

FOR THE RAIN

Man-tailored effects show up in spring rainwear.

Spring Fashions

SANDRA SHERMAN is wearing one of the new creations by Modern Junior. These new creations are just one of many to be seen exclusively at Sandra Joy Casuals, Broadway Shopping Center, Walnut Creek.

MRS. PETER PONTING is wearing shorts of embroidered drip dry poplin and a pink cashmere sweater casually thrown over her shoulders. A white leather belt with gold tees completes this attractive outfit which may be seen at Nipkows in Walnut Creek.

ONE OF THE exciting new jacket dresses being featured by the Emporium in Lafayette. Modeled by Jean McDowell.

THIS IS A mohair and wool hand fashioned D'bruzzi suit in the new loden shade with a slight blue overplaid, modeled by George Webster. The hat is a velour tyrolean in forest green. Both may be seen at Grodin's Walnut Creek store.

Junior Larks Present Spring Show

The Lafayette Junior Larks, Deltaes, of the Mt. Diablo Therapy Center, will present their annual spring fashion show and luncheon March 18 at 12:30 at the Concord Inn. Donations are \$3.

The theme of this year's show will be "Through the Looking Glass" with decorations to be reminiscent of Alice in Wonderland. Fashions to be shown are from Ogdens of Orinda.

Models for the show will be Rochelle Bayhi, Linda Cump, Pam Hosford, Michele Lea, Ann Lombardo, Kathy Luebke, Jean McDowell, Clara Nittinger, Diane Smith, Lynne Stockwell, Sheri Thompson and Phyllis Underhill.

Guest models from Lafayette Senior Larks will be Mrs. Ralph Liggon and Mrs. Ken Alexander. Child models will be Kollie Bayhi, Rhonda Berdine and Kim Bayhi.

Officers of the unit are, president, Phyllis Underhill; vice president, Lynn Medford; secretary, Joan Campbell; treasurer, Sheri Thompson; ways and means, Jean McDowell.

Clarks, Chase Jr. Host at Party

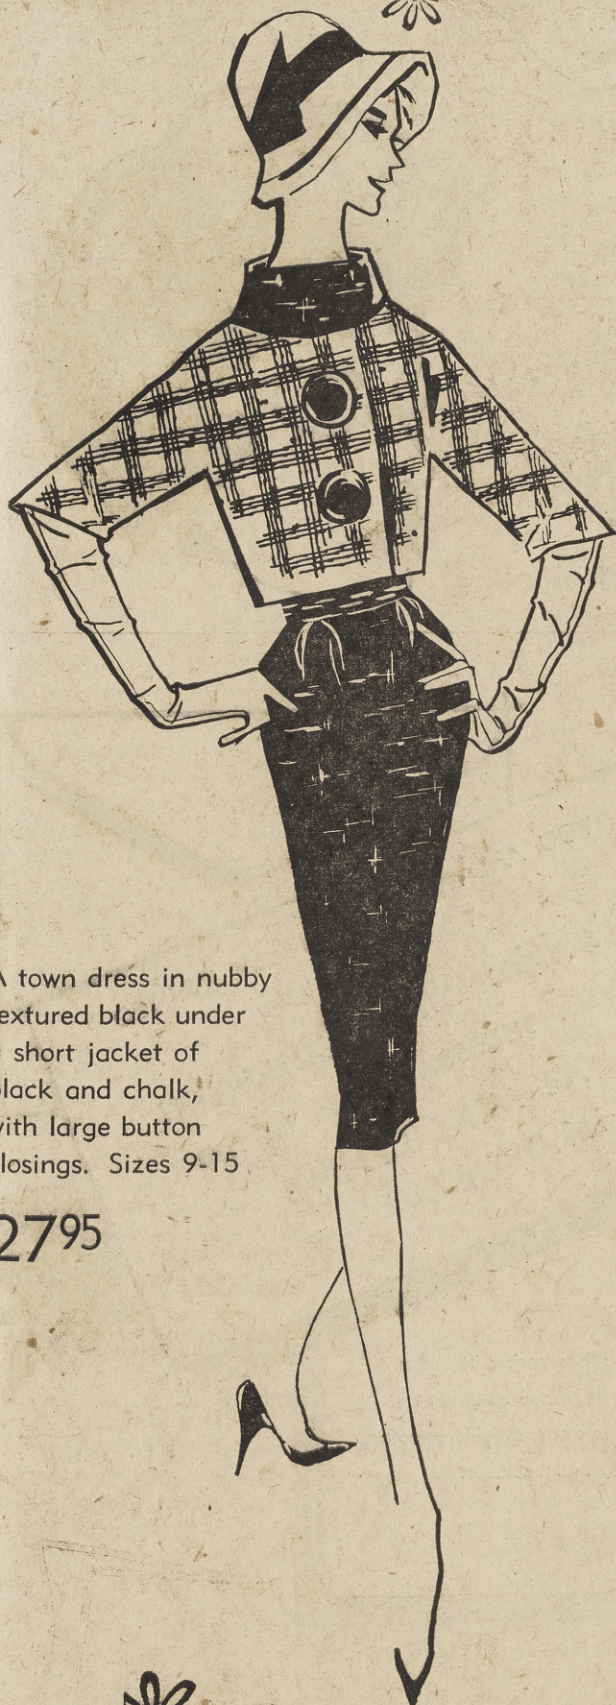

On Sunday from 4 to 6 Mr. and Mrs. Stephen Chase Jr. and Mr. and Mrs. Johnson Clark will host 60 of their friends at the latter's Lafayette home. The party will climax a week of parties given throughout the Bay Area to acquaint people with the San Francisco Symphony Foundation.

Tanagers Make Plans for Year

The Tanager unit of the Mt. Diablo Therapy Center will start the year's activities by participating at the Easter in Paris event March 18 at the Walnut Creek Shopping Center. Mrs. J. L. Cregmile, chairman of the annual bridge luncheon to be held April 5, is arranging the luncheon.

Virla Krotz was applauded, congratulating her on becoming the president of the Northern California Republican Women's Club.

No Gimmicks in Men's Slacks This Season

The news in slacks this spring is that the gimmicks are gone. There is more emphasis on interesting fabrics, the use of many new fibers and a wider use of patterns, reports the American Institute of Men's and Boys' Wear.

There are currently two basic types of slack models: those with belt loops and those that are self-supporting through the use of elasticized waistbands and the varied buttoned or buckled side fastenings.

OF COURSE, the traditional-style slack worn with natural-shoulder sports jackets will be worn without pleats, as usual. They will also be devoid of such "gimmicks" of the past as back- straps and pocket flaps. Simplicity is the keynote.

But, in the classic as well as

the more venturesome styles, the use of patterns such as plaids, checks and stripes is on the upswing, although the new patterns will be on the subtle side.

Updated slim jackets retain the trim Continental look of the old Continentals, but are now tailored for greater comfort without sacrificing the wanted narrow look.

SINGLE-PLEAT slacks have practically taken over from the old double-pleat styles. Some of the new models are influenced by the British accent.

Look for new heather tones—colors compounded of many hues blended into the yarns—and the use of many blends of single color yarns that provide a look of depth.

CAPWELL'S TREND dress which exemplifies the lithe look. This dress has a lowered waist line, sash belt, pleated skirt and is sleeveless, combining five of today's most wanted fashion trends. The dress shown is pink and also comes in blue and beige, designed by Norman Wiatt and modeled by Jo-Anne Griffin of the Walnut Creek Store.

Rough or Smooth, Men's Coats Go Both Ways

Some like 'em rough and some like 'em smooth, some like 'em fancy and some like 'em plain. But, according to the American Institute of Men's and Boys' Wear, men like the new sports jackets and have really gone on a sportcoat binge.

Even for the experts, it is almost impossible to pinpoint the leading styles in sports jackets this spring. Take patterns, for instance. Big, bold and brassy—each has a large coterie of fans. Many men also go for the classic solid colors and subtle blends of colors, too.

AMONG THE brightest and boldest are the multi-hued batik prints. These are made in featherweight wool challis and cottons. Some are even printed on wash-wear fabrics.

There are glen plaids, district checks, shepherd checks,

hounds-tooth checks, giant checks and miniature checks. The colorings of those patterns are equally as varied. Olive tones, earth tones, mustardy hues, grays and a brand new shade of blue are but some of the hot shades.

The new blue—"swabby blue"—is a derivative of a classic seafaring shade usually associated with faded blue denims. The new blue is woven in cottons, lightweight wools and blends.

BLAZERS this spring come in three basic types. First, of course, are the solid colored flannels, including navy blue, black, gray, olive, maroon and the beiges. Next come the hopsack and herringbone weaves, some solid but others in mixtures of two, three or more colors.

"EXOTICA" is the name of this bouncy spring coiffure modeled by Georgia Cervenka and admired by its creator, Mr. Howard, of Walnut Beauty School of Walnut Creek.

Men Put Best Foot Forward

Men put their best foot forward this season in slim, trim shoes of spring-weight leathers. Jaunty is the word for masculine footwear fashions as new leather shoes shed ounces and styles taper down, reports Shoe Fashion Service of Leather Industries of America.

The slim, sophisticated look at ground level—you see it from head to toe in Ivy and Continental fashions—is achieved by tapering the forepart of the shoe.

KUSHINS pretty patterns put you in the spotlight of fashion for Easter. Three tone shoe in bone, ecru and meadow brown, styled by De Liso Debs with many style purses to match, is modeled by Mrs. Robert Ellworthy.

These Tactics Could Be Used to Repel an Invasion of the Bay Area

AN ENEMY AREA could be encircled by use of paratroopers, as was done at Rio Hato. Here the troops were defending the Panama Canal, instead of the Bay Area or other U.S. Bases.

AFTER THE paratroopers had landed and secured the area, these troops were flown in by jet on the strip protected by the advance paratroop drop.

THIS IS THE "enemy" advancing to attack the paratroopers. These field maneuvers demonstrated defense of the Panama Canal, but are in many ways applicable to defense of parts of the S.F. Bay Area, or other U.S. bases throughout the world. —USAF photos.

Do You Think Our County Could Use Another Brain?

The county is thinking of buying a mechanical brain.

There is always, of course, the cynic who might say, "Good! They could use a few brains up there."

And that cynic might be right.

Without casting aspersions on the people who are running our departments and our government for us, either.

This little gem of a thinking machine would require a cash outlay of something in the neighborhood of \$57,000 to get it installed and running.

THEN THERE'S the little matter of about \$7900 monthly rent on the computers.

Sounds like a lot of money, but there are other considerations.

The county is now renting card punch equipment from IBM to the tune of \$6000 per month. So, the increase in cost of the new equipment would be relatively little.

And the county could then do without the card punch machines.

What could this new equipment do? For one thing, it could process the present 40,000-tax bills in anywhere from 25 minutes to four hours. The present equipment takes about 20 hours.

Not much you say? Well, how about the services to our special districts?

THE EQUIPMENT could tabulate any student's grades for about \$1.50 a year. That's \$9 less than each school district's cost per pupil. Now multiply that saving by the number of pupils in the county and you'll get some idea of the savings to our school districts.

But that's not all. The machine could also work out a whole year's class program for each student at 50 cents per head, compared with the present \$2.50 cost.

So, obviously, the machine could save our school districts plenty of money.

WE ARE ASSURED by the county that the machine could perform the same wonders for the county departments, thus providing better service from our county government.

But there is always a snag. We may be unduly skeptical, but we wonder if, in the long run, the taxpayer would ever see the results of this mechanization.

Ideally, the machinery could be installed, and within a very short period of time, the results should be felt where they count most... on your tax bill.

But we are skeptical enough to believe that seldom are savings from such efficiency returned to the source of the income.

INSTEAD, THE same budgets are drawn up each year (and the tax base increases, too) and the individual departments keep using the money.

We are generalizing, of course. Increased populations require increased services. But it seems to us that the real purpose of such machinery as is being considered by the county, is to increase efficiency in government.

It should cut down on "red tape", reduce long, wasted man-hours of clerical effort. In short, take care of much of the paper work of our various districts and governmental units.

And such increased efficiency should show up where it is needed most. It should leave a few more dollars each year in your pocket.

THE PROPOSAL has the blessing of the county administrator and the County Taxpayers Association.

And, if it will do everything the county says it will, and end up with relief for the taxpayer, it has our blessing too.

The Horse Won't Drink...

Sometimes you wonder what it takes to get action!

In this case, it took a state-wide scandal and some five or six years to straighten out a problem. And frankly, we'll bet that it won't be really straightened out when the present mess is all over and done with.

We're referring to the state purchase of school text books. As you may have read, there is a lot of trouble brewing at the present over the burning of surplus and outdated texts (some of which have never been used, by the way.)

BUT THAT ISN'T the real point. In the hassle over the book-burning, an enterprising legislator came up with the startling news that California is paying as much as \$1.35 more for each textbook purchased than private publishing houses charge other states for the same book.

Well, really!

If any of these legislators (and we'll bet you remember, too) would have bothered to pay attention to some of our PTA people, and finally to Don Doyle when he was our Assemblyman, they would have known this long ago.

PERHAPS IT IS wailing and gnash-

ing of teeth now, but we are still proud of our local ladies (and some of the men, too) who were concerned about this very problem long, long ago.

They didn't really get anywhere. They finally got the whole mess as far as some legislative hearings, but nobody was willing to do anything about it.

And we'll bet, now that it has become a state-wide publicity issue, that after it has all blown over we will go right on printing our own texts when we could buy them cheaper from the publishing firms, as do most of the other states.

Our local PTA people were smart enough and alert enough to know what this was doing to the statewide cost of education a long time ago. They led the horse right up to the watering trough, and as best we can tell, the horse is standing right there still dying of thirst.

It just seems, that with all the classrooms that we need (and that we eventually pay for out of our own pockets) that our state government might listen to our small voices in the wilderness of Central Contra Costa County.

But it seems not.

Letters to The Editor

RETARDED

Dear Editor:

I would like to express my gratitude and the gratitude of the many people involved with the problems of Mental Retardation, for the very well written articles about this subject which appeared in your January 27 issue of The Sun.

I have received several calls and have had many conversations with people not immediately involved with this problem, and the general impression was good.

The general public seems to want to learn more about these children and they seem to be interested in knowing how they

can help in every day events.

I am very interested in knowing if your paper received any response to the column of questions and answers and if so, was it good or bad?

In the near future I am going to have an interview over KPFA and would like to talk with you first, in regards to this column appearing in any future editions. If you think it is worthwhile and does not interfere with any of the policies of The Sun, I would be most pleased and anxious to contribute.

Thank you again, and everyone connected with the paper, for your wonderful cooperation and interest in such an im-

portant subject.

MRS. MARGARET WALKER, R.N.

CENTER STRIP

Dear Editor:

As a proponent of the center strip I think that you should be first to know:

Talking with the CHP today and they say there have been 12 accidents on our strip since the center strip installation. Many, many more than previously.

This proves that either Lafayette folks are dumb?? or the center strip is wrong??

But Will It Save Money?

Letters to The Editor

SIDEWALKS

Dear Editor:

If anyone were to return to Lafayette after an absence of 10 years or so he would undoubtedly be struck with the remarkable growth of the town with its widely extended residential areas built up with generally beautiful homes.

He could not help but notice that invariably the yards were nicely landscaped and carefully maintained, reflecting communities of self-respecting and prosperous residents.

But how could he reconcile all this with the hodgepodge that is the business district of Lafayette? True, there are some creditable sections and buildings, and in one area on one side of Mt. Diablo Boulevard there is a continuation of sidewalks and curbs for two or three blocks; but for the most part there are but intermittent sections of sidewalks and curbs. Is it necessary to again bring up the pedestrian access to the post office?

Outside of the esthetic consideration the lack of sidewalks makes for no great or serious inconvenience to most of the citizens. We are no longer ambulatory except when we have to get out of our cars to enter a shop or store—that is, those who are still able to drive cars!

But have you ever considered what it would mean to you to lose your driver's license and

have to walk to do all of your shopping when you are in your seventies or eighties, and on unsteady feet carry your grocery purchases all the way to your home?

Have you ever considered how much worse even it would be to have to pick your way among water puddles, loose gravel, humps and bumps in the road, with cars and trucks whizzing by you, splattering you with dirty water, and scaring the very wits out of you?

While most senior citizens are able to get around fairly well, many are somewhat physically handicapped in some way or another, and ordinary sidewalks, curbs and gutters are no more than can be expected. For those who are reported to be of the belief that there is not much interest in having sidewalks completed for the entire length of the business district along Mt. Diablo Boulevard, let us assure you that the senior citizens of Lafayette are not only interested in them—they are for them.

It is understandable that in some instances the cost of the sidewalks could be a considerable financial burden right at any particular time, but we are hoping, and hoping hard, that Lafayette soon will have sidewalks, curbs and gutters the entire length of the business district.

NORMAN E. ROCKER

Under The Sun Sun Editor Sees Panama 'Invaded'

By HERMAN SILVERMAN

I'm writing this 17,000 feet above the Caribbean Sea. We departed from Panama City two hours ago and are skirting to the west of Cuba, flying many miles out of our way to keep out of the Cuban air zone—for obvious reasons.

After flying over Florida, this Air Force Lt. Col. (a civilian DC-6) will first land at Pope Field, Fayetteville, North Carolina, where reporters from the south will disembark. Then, we continue to Washington D.C., which is the end of the line for the Operation Solidarity press tour.

What is "Operation Solidarity?"

Well, Operation Solidarity is a training exercise conducted by the U.S. Department of Defense in the Republic of Panama March 1 through 4, under the provisions of the Rio Pact, which provides for mutual defense of the western hemisphere. The maneuver combines the forces of member nations of the Organization of American States in a joint land, sea and air defense against simulated attack on a member country.

Covered by foreign press

The press group consisted of 23 newspaper, radio, magazine and TV representatives from throughout the nation but mostly from the east and south. In addition to the Panamanian press, news- men from other Latin American countries observed the war games. We lived in the same barracks with Colombian and Peruvian reporters and had some interesting chats.

This was a mighty big "show," as we could tell by the many generals and admirals attending from 16 Latin American nations—all except Cuba, Costa Rica and Dominican Republic.

U.S. brass was all over the place, including 21 generals and one admiral—plus the president of Panama, U.S. Ambassador to Panama Joseph Farland, diplomatic corps, etc. From the foregoing you can readily see that this was more than a military exercise—the diplomatic and political ramifications were everywhere. This operation is an important public relations job for the United States.

Successful because it brought together important leaders from so many nations. They ate, drank and lived together and understanding is bound to result.

Successful because the maneuvers proved that forces from Colombia, Panama, Peru and the United States can train and fight together.

Hooray for Castro?

And why shouldn't the Panamanian or Chilean give a cheer for Castro. Even though they may not realize he is no savior, he's still the guy that belts old Uncle Sam on the nose—and gets away with it. Apparently many are being disillusioned by Castro, but the poor and hungry and jobless Latin American can't help look at all Norteamericanos with a jealous eye.

Their future is bleak; they might be willing to accept help from any source. Remember, the U.S. government has for years ignored Latin America, while helping other parts of the world.

Castroism. Communism or any similar "ism" is a real threat politically and militarily and that's why Operation Solidarity has real significance.

What would happen if an enemy would try to capture the Golden Gate and the Bay Area plus attempting to control or destroy the Bay Bridge and Golden Gate Bridge?

In Operation Solidarity, the enemy tried to capture Panama and the Panama Canal. Let's look at the theoretical problem. In March, 1960, the "Aggressor Force," the enemy, landed troops to attack the Canal. Forces of the Organization of American States defeated and

nearly annihilated the invaders but some escaped to Costa Rica.

Incidentally, first to jump were Peruvians, flown in their own C-47 transports.

A second invasion

Then, this February, Panama is attacked again by sea invasion near the Canal Zone, which is U.S. territory. Combined defending forces push the Aggressors back to Rio Hato, about 60 miles from the Canal, and this sets the stage for Operation Solidarity. In this exercise the Aggressor must be wiped out or captured by the combined American forces.

The operation opened on D Day, Wednesday, March 1, and we woke at 3 a.m. to fly to Rio Hato. We were in the observers' stand at 7 a.m. when fighter planes of the Peruvian, Colombian and U.S. Air Forces roared in to shoot up the small landing area in front of us. U.S. jet F-101's and F-105's flew from Puerto Rico to soften up the enemy's troops.

The fighters were refueled during their 1,900-mile round trip by a fleet of KB-50 tankers from Langley Air Force Base, Virginia.

Then, came the dramatic and dangerous show—dropping thousands of soldiers and supplies, to fight the Aggressor force. The drop area, on a rolling plateau with the ocean on one side and a valley on the other, was about 400 yards long by 200 wide.

1200 paratroopers drop

It's difficult to describe this operation because it is so complex and precise. But it was a tremendous sight to see 1200 paratroopers dropped in a matter of minutes to the small area. As soon as they hit the ground, the soldiers ran off the field to pre-determined gathering points and then proceeded to attack the enemy.

Seven hours before jump time 1250 paratroopers of the Army's 82nd Airborne were climbing into 22 C-130 Air Force transports at Pope Air Force Base, North Carolina. They took off in a constant stream to make the 2200 mile trip. The planes did not land until after the paratroopers jumped in Panama.

The jump was dangerous because of high winds and 18 men were hospitalized, some with fractures. Last year one landed in the Pacific and was picked off by a shark. When we left this morning, they were still looking for one Peruvian paratrooper, missing after his jump.

The second act begins

But this was only the beginning. Other paratroopers of the 503rd Infantry Regiment were dropped. Then six immense Air Force transports parachuted heavy equipment to the paratroopers below—including a jeep and trailer.

Then nine U.S. troop carrier planes landed on a short landing strip to discharge Panamanian and Colombian troops. It was amazing to see these giant planes drop down on rough runways about one minute apart, discharge their troops off the ramp and take off one minute apart. U.S. planes continued bringing in men and supplies all day.

We saw 94 planes come into the area in 155 minutes. Thirty planes were from Mitchell Field, New York, and others from Tennessee. Two U.S. Navy mine-sweepers and a Colombian destroyer maneuvered offshore.

Can we possibly guess how much planning and effort went into this operation? It is certainly beyond my comprehension. But it certainly is a fine example of long distance movement of men, precise execution of complex planning. I guess I said this before but I am impressed with what I saw. Here comes Tampa, Florida—see you next week.

Students Anticipate Dream Tour of Mexico

A dream tour of Mexico will become a reality for approximately 25 area high school youngsters when they leave March 24 on the first annual education tour planned for Easter vacation.

Charles Donna, chairman of the foreign language department at Acalanes high school, is the tour director. The students, who are making the trip at individual expense, are mostly from the Spanish classes held at the high schools.

THE YOUNGSTERS will fly from Oakland to Los Angeles, thence to Mexico City. Six or seven passenger automobiles with bonded English-speaking driver guides will provide transportation for the group in Mexico.

An itinerary that ranges from the educational to the exotic has been arranged to include something of interest throughout each day and evening.

Highlights of the sightseeing planned will be a full day to Xochimilco and bullfights; a tour of Mexico City and Pyramids; a half day of university tour; a half day visit to Embassy, Cultural Institute and Independence Monument and a day and a half trip from Mexico City to Cuernavaca and Taxco.

THE MEXICAN film industry at Churubuseu and the Mexican television industry both plan to entertain the students. A special

welcome breakfast with leading educators present will be held on the second day of the tour.

American senioritis will delight in the boatrips at Xochimilco with music, refreshments and flowers. Acalanes seniors will thrill to the Jai Alai games and native Folklore Festival.

Packed with fun and education, the trip costs \$323.65 per student. High School District interested in the director announced that there are still a few openings available. Charles Donna at Acalanes high school.

MEXICO BOUND Acalanes High School students discuss the central High Sierra country of Mexico in preparation for the first annual educational tour to Mexico Easter vacation. Pictured from left are Nancy Holland, Roberta Peters and Charles Donna, tour director.

ONE IN FOUR Cancer will strike one in four Americans now living, American Cancer Society statistics reveal.

'Wild Europe' Is Audubon Tour Film Tuesday Night

Roger Tory Peterson, author, artist, scientist, and photographer, will speak at the Audubon Tour Series, Tuesday, at 8 p.m. in the Diablo Valley College gymnasium. Peterson will present a movie entitled "Wild Europe" which he will narrate. He will show such sights as the spectacular gathering of oyster catchers, flamingos in the vast salt lakes, dancing ruffs, habitat of the white spoonbill and the bee-eater, the most colorful birds in Europe.

PETERSON has written "Field Guide to the Birds," which has sold some 500,000 copies; "Field Guide to the Birds of Western Europe," a best seller, and "European Field Guides," now available in seven languages. In addition, he is editor of the Houghton-Mifflin "Field Guide Series," and has featured his own photography in his book "Birds Over America."

This tour is part of the series presented by the National Audubon Society and is free of charge in hopes of promoting wildlife protection and conservation education.

We Like It Here . . . It's The Giving Up That Also Gets Them Down . . .

By MARIE MONAHAN
AROUND OUR HOUSE, everybody is giving things up . . . It is Lent, a time of discipline & sacrifice & my, what a lot of will power it takes!
Especially to give up something you like. Which is the main purpose.
Girls are giving up boys. Boys are giving up bad habits like nail-biting.
Fathers are giving up smoking. Somebody else is giving up TV or movies—or candy.
I am plain giving up!
I cannot possibly keep track of what everybody in this house is giving up.
SOMEONE sends over a dish of fudge so after dinner I pass it around.
Or, Dear! The daughter is upset because she can't have any candy. She has given it up!
SO a happy supper table comes to a dismal end.
THEN there's something finally worthwhile for the whole family to share on the TV channels, so I call a muster.
"Oh, Mom, you know I gave up TV. I can't help it if it's educational, I gave it up for Lent."
THERE HASN'T BEEN a single good program on for months & just when one is programmed, another child has given up TV.
I admire their stick-to-it-ivity!
We seldom see a movie for we're still on a strike, so to speak!
We play our own censorship game, but just last week, after careful checking, we found a movie we thought would make a wonderful evening for the whole family to see together.
We should NEVER have mentioned it! We had forgot that another child had given up MOVIES . . . & well, if we had gone out on this Gloomy Gus to see it, we wouldn't have enjoyed it anyhow!
LENT IS FOR improving things, but things are not improving around here!
The children come home from school & we have dishes of strawberry ice cream & cookies waiting for them. This sends another into her room with a pout.
Naturally she can't have any, she's given it up for LENT.
Well, children, I do admire your self-discipline. But half the reason for your sacrifice is to do it with a smile.
FOR AWHILE, I thought maybe you had all given up smiling & that would never do!
NOW, how about a cup of hot cocoa & we'll toast some marshmallows?

Scouts' Spring Conference Has Lunch, Speaker

Victor Sharp, deputy regional executive, will speak at the annual Spring Training Conference at Alcalanes high school, March 18. Sponsor is the Mt. Diablo Council, Boy Scouts of America. Dr. Bert Wheable is training committee chairman.

Also, wood badge insignia will be presented to two local scouts by Sharp, who serves as instructor of the international training course at Shaver Lake each summer.
Luncheon reservations are due today, Wheable said.
Twenty subjects are offered as part of the council's program to provide assistance in the latest successful methods and techniques of leading boys in Cub Scouting, Boy Scouting, and Exploring.
Courses specially for den mothers, in addition to "basic training," include the pack meeting, program planning, the den meeting, and den mother-den chief relationships.
Pre-opening exhibits of Boy Scout neckerchief slides and Cub Scout gadgets will be on display during the registration period starting at 9. First sessions begin at 9:30. Afternoon sessions are at 12:45 and 3.

Meteer Named As Director, Therapy Center

E. Meteer of 46 LaCresta Road, Orinda, has accepted an appointment as a director in the Mt. Diablo Therapy Center.
Meteer has been the Pacific Coast claims manager for Liberty Mutual Insurance Company for eight years.
Since coming to the West Coast from New York City in 1948, Meteer has served as an advisor to the California State Department of Health on rehabilitation facilities.
He is past president of the San Francisco Casualty Insurance Claims Managers Council and is at present a member of the advisory committee of a special study on rehabilitation of the industrially injured being conducted by the Bureau of Vocational Rehabilitation, State Department of Education.
He is a member of the Casualty Insurance Companies' Coordinating Committee for matters having to do with Workmen's Compensation and Rehabilitation and is chairman of the Health Insurance Council Subcommittee for Medical Relations in Northern California.
Meteer, his wife Jean, and two children have lived in Orinda since 1953.

Opera Hour Plans Special Final Program

As a gala finale to its 1961 season, the Children's Opera Hour will present three performances of "Die Fledermaus" by Strauss on March 18. Time and locales will be at 10:30 a.m., Stanley School, Lafayette; 3 p.m., Junior Center of Art and Sciences, 3612 Webster Street, Oakland, and a special evening performance at the Junior Center at 9 p.m.
The special evening performance is planned just for young marrieds and parents and reflects that the programs have created an interest in the community to share in them from a more adult level.

Members of the Children's Opera Hour committee, representing the two sponsoring organizations, the Junior League of Oakland and the San Francisco Opera Guild of the East Bay, express a deep satisfaction over the fact that what has been planned as an effort to introduce children to opera in an interesting and understandable way now shows the potential of providing enjoyment and the appreciation of opera for the whole family.
Opera artists from the San Francisco Opera Guild's talent bank will again sing the roles in the final concert. Featured in "Die Fledermaus" will be Pat Cann (soprano), Dorothy Nutto (soprano), Orva Hoskinson (tenor), Robert Yakutis (baritone) and Shapleigh Howell (baritone). The direction and narration is under the direction of Miss Peggy Donovan from the music department of the University of California.

Alameda College Will Offer Two Summer Periods

Alameda County State College in Hayward will offer two summer sessions this year, one for six and a second for four weeks, it was announced by Dr. Hilary Fry, director of extension and summer sessions.
Programs will be offered in business and economics, creative arts, education, English, history, science, mathematics, sociology and political science.
The first session will be held from June 19 to July 28 and the second from July 31 to August 25. The standard work load will be nine quarter units for the six-week session and six units for the four-week session.
Cost per quarter unit is \$7.34. The following workshops will be offered: Elementary school art, June 19 to July 7; arts and crafts for elementary teachers, July 10 to July 21; elementary school music, June 19 to June 30; improvement of reading, June 19 to June 30; correcting reading difficulties, July 5 to July 28; curriculum in early childhood, June 19 to July 7; creative writing, July 10 to July 28.

Highway Users Tax Fund Listed

Contra Costa County received \$148,949 as its February Highway Users Tax Fund apportionment, it was announced.
Alameda County received \$311,196.

Special Groups Of Teachers Plan Meetings

Four meetings for special groups of teachers will be held in the next few weeks. They began with a discussion of mathematics at Stone Valley School, Alamo, last week.

Dr. John D. Hancock, curriculum coordinator of Alameda County and professor of mathematics at Alameda State College, spoke to teachers of Alamo, Danville Union and San Ramon School districts.

The meeting was one of a series on curriculum, arranged with the assistance of Alice McMaster, elementary education consultant, Contra Costa County Schools.

At Antioch High School Monday at 7:30 p.m. Miss Gail Brittin will speak on clothing and present a style show for homemaking teachers of the county, announced Mrs. Mary Louise Missen, coordinator of secondary education, Contra Costa County Schools.

Miss Brittin represents a pattern manufacturer. Teachers of special classes will attend a meeting Tuesday at 4 p.m. in the Mt. Diablo Unified School District Administration Building, Concord.

The speaker will be Dr. William Cruickshank, professor of education and psychology and director of education for exceptional children at Syracuse University, New York.

He will speak on the education of multihandicapped children whose chief handicap is mental retardation.

Chairman Lee Marrow of the Contra Costa County Industrial Education Association reported that members will tour the maintenance shops of United Air Lines on March 27, leaving Mt. Diablo High School at 7 a.m.

Marrow is a teacher and counselor at Clayton Valley High School.

Investigator Wanted by DA's Office

Contra Costa County Civil Service Department announced it is seeking applicants for the position of investigator, salary range \$584-\$710.

This position is found in the County District Attorney's Office. He will be given investigative assignments involving the full range of criminal activity. Minimum standards for this position include two years of college with a major in criminology, psychology plus four years of experience in law enforcement work.

Additional training and experience may be substituted for this requirements pattern. Applicants must have been residents of Contra Costa County for one year.

Persons interested in competing for this position must submit their application to Contra Costa County Civil Service Commission Department, P.O. Box 710, Martinez, by next Friday.

DV College WUS Sponsors Dance

A dance, sponsored by the World University Service Committee of Diablo Valley College, was held last Friday, at the college.

Over 150 students attended the dance. Entertainment was provided by three girls from the Oakland Soft Shoe group.

Harvie Williams, WUS publicity chairman, explained the purpose of the service.

Refreshments, donated by various area businesses, were sold by the committee.

The money will be used to finance the projects planned by the committee for World University Service Week, April 24 through 29.

PETROLEUM

A modern oil refinery may manufacture as many as 2,000 different products, all from petroleum, reports the National Automobile Club.

Annual Shrine Party Tonight

The Contra Costa County Shrine Club will hold its annual Crippled Children's Hospital benefit party and dance tonight. Scotty Sang of Concord is chairman of the event which will be held at the Elks Club, 3994 Willow Pass Road, Concord. Dinner at 8 p.m. will be preceded by a social hour. Dancing will follow at 9 p.m. Guests and friends as well as members are asked to bring canned pineapple juice and grapefruit or silver for the wishing well.

Other members of the committee include Don Nicholson of Walnut Creek, Bill Martin of Antioch and Bill Riggs of Lafayette.

Dinner at 8 p.m. will be preceded by a social hour. Dancing will follow at 9 p.m.

VIBRATION HURTS BATTERY

Excessive vibration can hurt your car battery, warns the National Automobile Club. When the road gets bumpy, slow down.

Your Garden

Blooming Viburnum Has Heady Fragrance

If you've whiffed the heady fragrance of a viburnum in bloom, you've savored one of nature's sweetest gifts to the gardener. And if you don't long for it in your own garden, then there's something wrong with your sense of smell.

On the other hand, you don't have to smell viburnums to enjoy them. Their waxy heads of bloom, some of them not unlike a giant daphne, are reason enough to plant them. And some viburnums, notably the familiar snowball tree, have no fragrance anyway. We plant and enjoy them solely for their looks.

The Burkwood and Carlesii viburnums, similar in bloom and in the heavenly fragrance they impart, are among the best known of the family in California. Both are usually deciduous, but the former is more nearly evergreen in mild winters.

CARLESII is rangier in habit, growing to eight feet or more. Burkwood is the more compact, shrubbing out to six feet in width and only five or six feet tall. Both bear their fragrant flower heads in spring.

Prune Spring Shrubs After Blooming Time

Here are some things for the gardener to consider this week:

Prune spring flowering deciduous shrubs after they finish blooming—or while they are blooming if you want the color in your home.

Watch new growth on roses for signs of aphids. For best control, start spraying as soon as new growth appears.

Start a privet hedge this month. It will grow by leaps and bounds if you keep it watered when the rains have gone.

Perennials that weren't divided last fall can still be divided now.

Use bait to stop the new crop of snails and slugs before it increases any further.

The common snowball, a star performer in anybody's garden, can become, literally, a mass of white blooms the size of tennis balls each spring. And in fall before shedding its leaves, a snowball gives a lovely show of red autumn color—even in our mild California weather.

Solve 3 lawn problems in one afternoon

Worried about crabgrass? Grass too thin? Bare spots a problem? You can take care of all three in one afternoon. HALTS® creates an invisible barrier on the soil's surface that kills crabgrass as it sprouts. Yet it lets good grass sprout unharmed, so you can sow all-perennial, weedfree Scotts grass seed on the same day. Non-burning TURF BUILDER® supplies all the nutrition new and established grass needs for healthy growth—promotes a thick satisfying lawn even in poor soil.

Ask us about the Scotts guarantee... a better lawn or your money back!

Sigma Kappas Formulate Party Plans at Meeting

Diablo Valley Sigma Kappas met Wednesday evening to complete plans for their Theater Party on April 15. The play they will attend will be a new release by the Dramateurs of Lafayette titled "Roshomono" with an oriental setting. Mrs. Ivan Brandt is chairman for the theater party and may be contacted for reservations at AT 4-4055.

Hostess at the meeting on March 8 was Mr. Homer M. Witt, at her home, 180 Sylvan Road, Walnut Creek. She was assisted by Mrs. James Shepard of Concord and Mrs. Gene Stevens of Walnut Creek.

Plans for the coming April meeting include high school exchange students under the auspices of the American Field Service. Mrs. Gustave Noack, program chairman, will introduce Miss Susana Gonzalez from Argentina, who is attending Acalanes high school as a senior.

Miss Gonzalez will speak informally about her country and family and her impressions of the United States.

The second guest will be Miss Marcia Bratten of Lafayette, also attending Acalanes high school. She was in Germany as the first exchange student in the area to attend a foreign school on a six months school program.

Previous exchange students from the U.S. have visited foreign countries only on a summer basis. She will tell of her experiences in Germany.

Plans will be formulated for the Annual Swim Party in May, honoring the graduating seniors from Lambda chapter of Sigma Kappa at Berkeley. This affair is held every year at the home of Mrs. Lawrence Harper of Orinda and is the highlight of the spring season.

Maytens Join East and West At Tea Dance

Japanese Torii gates and delicate spring blossoms will frame "The Gateway to the Orient," a tea dance to be sponsored by Mayten Branch of Children's Hospital of the East Bay. Mrs. John Everett of Orinda is chairman of the event.

East and West will meet in the oriental motif of William B. Land's home in Piedmont. The colorful event will take place March 18, from 4 p.m. to 8 p.m. As the sun sets on the garden paths and oriental pavilion, temple lamps will lend their festive glow. Exotic refreshments will be served to the guests.

Greeting guests of "The Gateway to the Orient" will be Mr. and Mrs. John Everett. Mrs. Jack R. Simpson of Orinda is arranging the decorations and Mrs. George H. Stratos of Orinda is in charge of refreshments.

Proceeds from "The Gateway to the Orient" will benefit the part-pay program at Children's Hospital of the East Bay. By making up the difference between the portion a family with limited financial means pays towards its child's care and the actual medical costs to the hospital, this program assists thousands of needy children.

WITH A HORSE shoe for luck, Mrs. Iven Kincheloe of Orinda (1) and Mrs. Robert Sullivan of Danville publicize the March 23 hospital benefit, "Day at the Races," sponsored by John Muir Memorial Hospital Auxiliary. The two will model swim wear at a luncheon-fashion preceding the races at Golden Gate Fields. —Photo by Ted Gurney.

Republican Women Slate Annual Membership Tea

The annual membership tea of the Lafayette Republican Women's Club will be held 1:30 to 4 p.m. Thursday in the home of Mrs. Fletcher Taylor, 3675 Nordstrom Road, Lafayette.

This event, the one strictly social affair of the year, serves as a welcome interlude in the political activities of the club. Membership committee co-chairmen Mrs. George Martinson and Mrs. V. W. Peabody Jr. have issued a special invitation to all Republican Women of Lafayette to attend the tea, to meet the members and directors of the club and to become acquainted with its program and objectives.

Mrs. Leland Scott Jr., general chairman of the hospitality committee, has announced that in addition to Mrs. Robert Elmore, Mrs. S. L. Sibley and Mrs. F. R. Edwards, her hospitality assistants, the following members have been appointed to help: Mesdames R. A. Barton, E. F. Cardin Jr., C. C. Chappell, Frank Clapp, Johnson Clark, Jay S. Forni, Gordon P. Mills, Robert J. Pedder, Dale I. Stoops and Peter E. Ponting.

Past presidents pouring at the function will be Mrs. William Freeman, Mrs. John Farley Jr. and Mrs. Arthur Rude. Hostesses will include Mrs. H. E. Goranson, club president, and the following club directors: Mesdames G. W. Ely, John E. Menz, Frank Winant, J. H. Lindemuth, Jack Pedder, Clinton Newell, Paul Bowman Jr., Lawton Shortleff, Robert Spragens, Richard Kent, Channing Jones, Marshall Steel Jr. and Harold L. Paige.

Alpha Xis Meet

Under the leadership of Joan Frazell of Lafayette, the Alpha Xi Delta bay area junior alumnae will hold its installation of officers and meeting at the chapter house in Berkeley on March 15 beginning at 7:45 p.m.

The Order of the Rose will be bestowed upon those who have been members for 50 years and the founders will be honored.

Local members of the group include Gail Rogers of Pleasant Hill, Emily Fara, Joan Frazell, president; Barbara Saries of Lafayette; Sharon Lyons of Walnut Creek.

Wines, Water Colors Mix At Festival

Members of the Orinda Woman's Club ways and means committee are preparing for the "Vintage Festival and Water Color Exhibit" to be held from 4 to 7 p.m. on April 9 in the Brazilian Room at Tilden Park.

While tasting the variety of wines, members and their friends will enjoy an exhibit of paintings by students of Robert Jensen, Orinda artist, some of whom are Orinda Woman's Club members.

Chairman for the event is Mrs. Stephen Stewart, who will be assisted by Mrs. Edward Adams, ticket chairman; Mrs. Ernest Haynes, decoration chairman; Mrs. Clifford Campbell, donation chairman and Mrs. David Edwards, hostessing chairman. The art exhibit is under the direction of Mrs.

William Van Voorhis, assisted by Mrs. Sigmond Milford. Arrangements for the wine-

tasting are being made through Eugene Morosoli of the Wine Advisory Board.

PH, Dons, Piedmont Track Winners

All Show Power As New Season Gets Underway

The track season opened with a bang last Friday and despite the fact the weather man was uncooperative in as much as he sent cool weather there were some top performances.

Pleasant Hill posted a 78-35 win over De Anza in the varsity meet while the De Anza Bees reversed the tables 62-50-5.

Cliff Esslinger was outstanding as he broke 15 flat in the hurdles and cleared better than six feet in the high jump.

The Acalanes Dons won a three-way meet held at Acalanes Friday as they finished with 83-114 points to 45-9/14 for Alhambra and 11-2/17 for San Ramon.

One of the outstanding marks was made in the shot put when the Dons' Dave Dornisfe heaved the shot 54-6 1/2 feet.

The Acalanes Bee team won with 60 points to San Ramon's 54 and Alhambra's 28.

Piedmont served notice that they have a strong team and a contender for top honors as they swamped Las Lomas 88-25 in the varsity division and won the Bees 75-37-1/2.

Piedmont's Bill Heffer ran a fast 21.8 in the 220 while teammate Barry Rillet cleared 6-2 in the high jump for the afternoon's best marks.

Pleasant Hill-De Anza

First place winners in the varsity meet were as follows: 100—Kirby (PH) 10.3; 220—Kirby (PH) 22.5; 440—Riley (PH) 53.6; 880—Gentry (PH) 2:03; mile—Smith (DA) 4:40.4; high hurdles—Esslinger (PH) 14.9; low hurdles—Stephenson (PH) 6.4; broad jump—Elliott (DA) 20-3/4; pole vault—Hempler (DA) 10.0; shot-put—O'Brien (DA) 50-8 1/2; Discus—Bray (PH) 130-8; relay—PH 1:33.5.

Acalanes-Alhambra-San Ramon

Winners in the meet were as follows: 100—McMeans (Ac) 10.7; 220—Chris Rinne (Ac) 22.9; 440—Chris Rinne (Ac) 53.8; 880—Jim Rinne (Ac) 2:06.8; mile—Groth (Al) 4:42.6; high hurdles—Hein (Al) 16.6; low hurdles—Tarbell (Al) 21.9; high jump—Fontaine (Ac) 5-7; broad jump—Hall (Al) 19-7; pole vault—Spade (Al) 10-0;

The Ski Line

Pro Skiers to Show Off; Stanley Kids Make Trip

By HEC HANCOCK

The Sugar Bowl on Sunday, May 26, will host the first professional ski race to be held in California.

Under the auspices of the newly formed Professional Ski Racers Association, some of the world's top racers of recent years will boom down the Silver Belt course in quest of a goodly amount of cold, hard cash—coin of the realm.

Established in Aspen during January by Friedl Pfeifer, the PSRA reads like a "Who's Who in Skiing" for the past several years. The group includes Christian Pravda, Tony Spiss, Stein Eriksen, Anderl Molterer and Ernie McCullough.

There is a possibility Olympic great Tony Sailer will join the competition.

FOR THOSE of you who missed the superb competitors of last year's Olympics, this is a wonderful opportunity to see at close quarters some of the best skiers in the world.

In addition to being great competitors, these guys are without a doubt the finest stylists in the world. Technique will literally be crawling all over 'em. Mt. Lincoln.

Ol' dad isn't gonna miss this one!! Nosirree.

This is too great a chance to combine some spring skiing with a tremendous ski demonstration.

A chance to pack a picnic lunch, ride the chair lift, sit down to a good vantage point, and watch 'em go!

Who knows, I may even make a comeback.

Speaking of professional ski racing, I see where the National Ski Association, and the local group, Far Western Ski Association, are getting into the act by sounding off against the ski for pay group.

They have threatened to withdraw sanction from ski clubs sponsoring the pros, as well as other reprisals. Thus in one easy step, it appears the ski group has chosen to follow the hypocritical course set by their cousins, the AAU, NCAA and U.S. Lawn Tennis Association.

BEING A young sport competitively speaking, it was hoped that skiing could have established a healthy and practical example for the others. There isn't a reason in the world why skiing couldn't come up with a similar solution to that of golf, wherein amateur and pro can live side by side.

Professional ski racing is the natural progression to competitive skiing.

While still in its infancy, the professional racing group can stir up the same interest in skiing that the pro golfers and tennis players do. Enough said.

If Lafayette wakes up in a year or two with a number of red hot skiers to point with pride to, Principal Ed Brown of Stanley School will have a goodly share of the responsibility.

An avid skier himself, Ed has generated considerable ski enthusiasm among his student body. Groups from Stanley School with Principal Ed at the helm have already made two trips to the Sierra, with still a third one on tap.

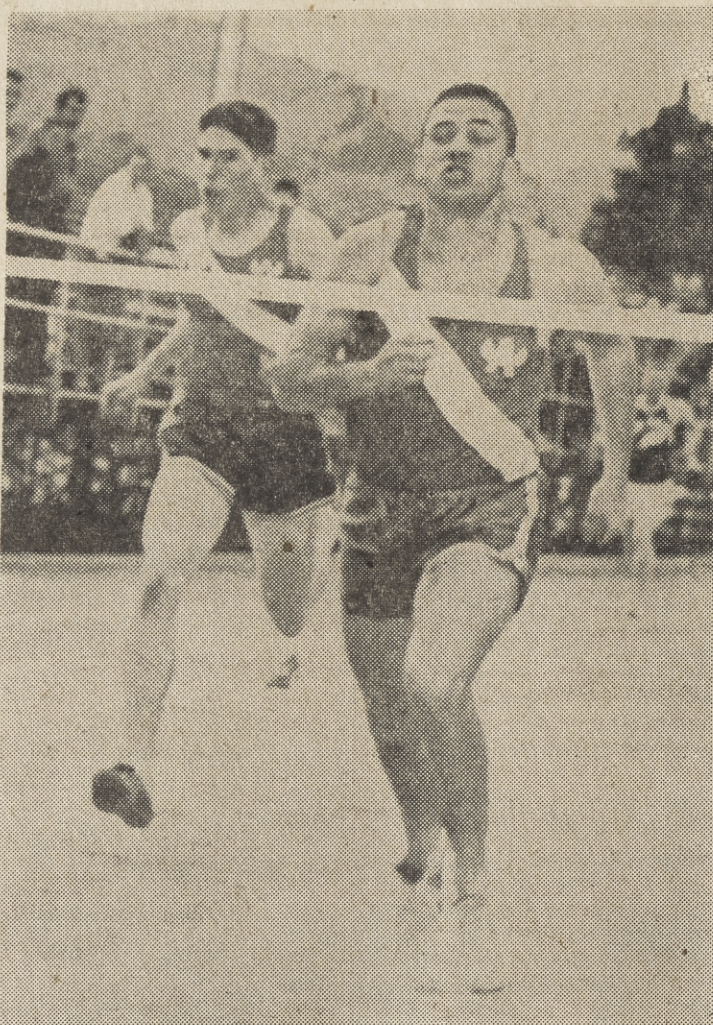

ASSISTED by Bob McCullough, the Stanley group made a week-end trip up Highway 50. From all reports, their accommodations at Twin Bridges and skiing at Echo Summit were great.

Among those who made the trip were Andy Picard, Ed Kendall, Becky Chamberlain, Hope Julius, Linda Westphal, Linda Conti, Gordon Ward and Bob Dry-Henich.

Tough luck story of the week.

Sincere condolences go to Dr. Jean Neighbor, who is on the mend from a broken leg sustained recently at Squaw Valley. However, hunting and fishing expert Art Evans of Martinez took it upon himself to prove that skiers haven't a monopoly on fractures. Art, while walking down the street last week, slipped and fell on other than his dignity, and will be wearing a cast on his right leg for several weeks.

It must prove something.

CHRIS RINNE of Acalanes beats teammate Andy McMeans to the tape in the 220 in Friday's triangular meet with Alhambra and San Ramon. Rinne also chalked up firsts in the 440 and 880 as the Dons routed their two Foothill League opponents. McMeans had a first in the 100 yard dash. Sun photo by Mattson.

Mrs. Duncan Tops Women Golfers

Mrs. C. H. Duncan was the first flight winner in the regular Thursday tournament for women held at the Contra Costa Country Club.

shot put—Dornisfe (Ac) 54-6 1/2; discus—Kell (Ac) 140-2 3/4; relay—Acalanes 1:36.2.

Piedmont-Las Lomas

First place winners were as follows: 100—Heffer (P) 10.4; 220—Heffer (P) 21.8; 440—Hogan (P) 52.5; 880—Hoover (P) 2:06; mile—Kilpert (P) 4:58.1; high hurdles—Houvinen (P) 16.8; low hurdles—Houvinen (P) 21.7; high jump—Rillet (P) 6-2; broad jump—Turner (LL) 20-3; pole vault—Berger (P) 11-0; shot-put—For-kett (P) 43.3; discus—Ratschore (LL) 117-1; relay—Piedmont 1:32.

Terry Hughes All-League Choice

Senior guard Terry Hughes of Pleasant Hill was a first team choice on the DVAL all-league basketball team for 1960-61.

Dick Dole and Bob Jensen, two other mainstays on the Pleasant Hill team, were honorable mention choices.

Mickey Sytkowski of College Park also received an honorable mention.

The team, selected by a poll of league coaches, was released this week.

Gary Loveridge, Clayton Valley High star topped the schoolboys on the team.

Loveridge was the only unanimous choice and earned the all-star honor for the second straight year.

He led the DVAL in scoring this year with 195 points.

Other first team members were Sam Coston of Pittsburg, Ken Hammer of Mt. Diablo and Jon Fontana of Antioch.

Jack Gilbert Tops Foothill Scorers

Miramonte's Jack Gilbert topped the Foothill League scoring for the 1960-61 basketball season with 255, according to statistics released this week.

The 6-6 senior center finished far ahead of Bob Nichols of Las Lomas, his nearest competitor. Gilbert's high game was 34 points.

Nichols, the Knights' fine junior forward, had 224 points on the season even though he had to sit out one game with an injury.

Rick Prestwood rounded out the "big three" with 221 points.

Half of the Foothill Loop's ten top scorers will be back for another season.

Nichols, Prestwood, Jim Howell of San Ramon, Jim Hammett of Alhambra and John Jones of Acalanes are all juniors.

Orinda Skiers Finish Fourth

The Orinda Junior and Senior Teen Club finished fourth in the Donner Ski Ranch Second Annual Invitational Trophy Race last weekend.

The team missed out on a third place medal by one second when one girl was disqualified while missing a gate in the giant slalom race.

The Yuba Sutter Ski Club out-classed the field to win the event. Carol Gilmore, Jim Hackett and Bob Sherman made up the club's first team.

Sherry Odenthal, Steve Williams and Skip Spaich made up the second team.

Hackett had the club's best time in the race, finishing in 72.51 seconds.

Any club in the area that is interested in ski racing should contact Bob Sherman at CL 4-4901 or YE 4-9709.

Diablo CC Ladies Paced by a 76

Mrs. Harry Hamilton fired a low gross, 76 on Guest Day at Diablo Country Club to take top honors among the Women's Golf Group.

Foothill Baseball Teams Begin Non-League Play

Prep baseball has been hampered along with other spring activities by the rain and as a result all clubs have gone into opening games this week with a minimum of practice.

Coaches have been particularly cautious with their pitchers and have used them sparingly.

Alhambra High, the newcomer to the Football League, served notice last Friday night that they are the team to beat when they opened under their lights to trim St. Ignatius of San Francisco 6-1.

PLAY this week finds Pleasant Hill meeting the Bulldogs of Alhambra at Martinez tonight and on the basis of past records Alhambra figures to post another win.

Miramonte found the going a bit rough Tuesday when they played at De Anza High in El Sobrante and came off on the short end of a 6-1 count.

Coach Don Foster has had problems getting his hurlers in shape but they should get plenty of work this week as they host Amador High this afternoon, travel to Livermore Tuesday and play Antioch at home Wednesday.

Pleasant Hill and Las Lomas cross bats at the Walnut Creek diamond Tuesday and this one rates pretty well as a toss-up.

THE PROBLEM for Las Lomas at this stage seems to be coming up with a number two thrower to back up Bill Renny who after a session of winter ball appears to be well ahead of everyone in the throwing department.

Acalanes opened its season Wednesday when they played at De Anza and play at home this week when they face College Park at Acalanes.

The Dons, starting late, have a nucleus of veterans but have a number of key spots to fill.

Catching, second and third base are wide open at present and practice games will find the answer as to who can best do the job.

The win gave the Vikings a 6-8 Coast Conference record.

Earlier in the week, the Viks dropped a 50-44 decision to Menlo College at Palo Alto.

Gerry Sheehan paced the DVC cagers in their final game as he scored 19 points. Don Montgomery chipped in with 13 more.

The Vikings held a scant two-point (25-23) lead at the half, but raced away from the visitors at the outset of the second period.

Montgomery paced the Viks in their loss to Menlo by scoring 14 points. Ranie Smith finished with 12.

The Knights were the defending champions of the tournament.

The Knights fell in the semifinal game, 59-42, to McClatchy.

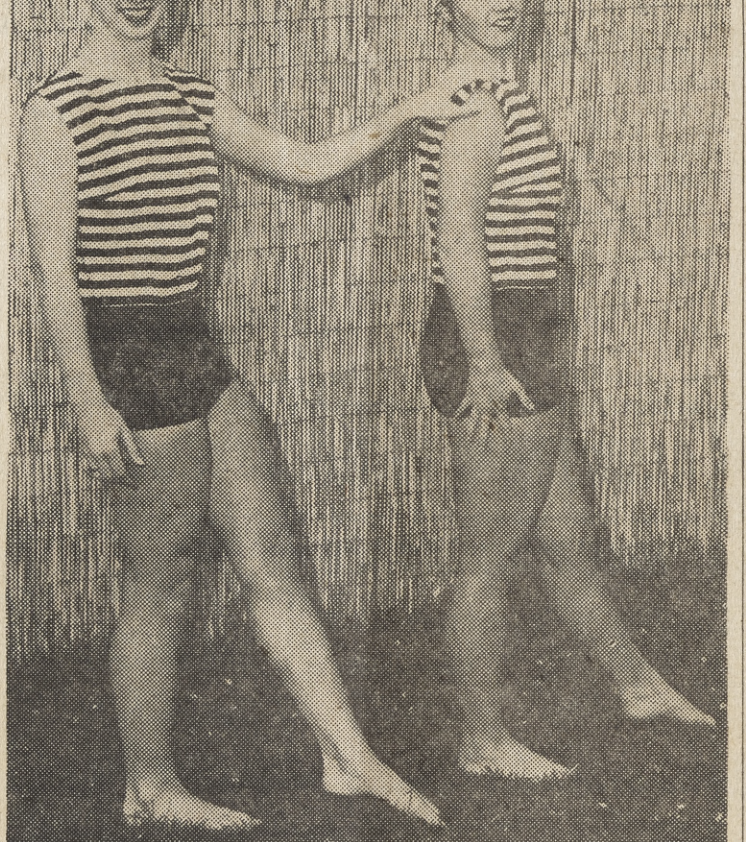

The Walnut Creek team managed to gain third place in the tourney, nipping Ceres, 42-41, in the final game.

The Knights opened the 11th annual Lions Club event by soundly trouncing Elk Grove of the Golden Empire League, 52-39.

Bob Nichols, junior forward and the Foothill League's second highest scorer, paced the Knights in all three games.

He scored 14 points in the opening game, 13 in the loss to McClatchy, and 18 against Ceres.

Rene Brandol, the Knights' outstanding guard, was named to the tourney's All-Star team. He tallied 11 points in the first game and 13 in the second.

THESE TWO young ladies took first place in the Indoor Synchronized Swimming Meet, Duet Division at San Jose State College recently. Joan Winter (left) and Judy McFadden are members of the Soltau Swim Club in Walnut Creek. The theme of their number was "Escape."

Walnut Creek Girls Win Swim Meet

Joan Winter and Judy McFadden took first place in the Indoor Novice Synchronized Swimming Meet at Treasure Island Sunday.

Swimmers interested in training for this kind of swimming are invited to the tryouts on April 3 at the Soltau pool.

Girls do not have to know synchronized swimming, but must be strong swimmers with knowledge of various strokes and willing to work hard.

Another Walnut Creek medal winner at the meet was Linda McFadden, Judy's sister, who took a third place out of 23 entries in the Solo Division with a score of 67.720. Her theme was "Hobo's Holiday."

Dorothea Soltenberger placed 8th in the event while Carol Dardorf of the Howell Swim Club placed 14th.

Ten-year-old Martha Hicks of the Soltau Club, the youngest entrant in the entire meet finished 17th.

The Soltau Swim Club is sponsoring the Junior Pacific Association Synchronized Swimming Meet.

Title Hopes Gone, Gaels Finish 2nd

St. Mary's clinched a tie for second place in the West Coast Athletic Conference with an easy 64-49 win over University of Pacific Tuesday night in Stockton.

Tom Meschery paced the Gaels with 23 points as he closed out his brilliant collegiate career.

GUARD Gene Womack also played his last game. He scored 10 points.

The win gave the Gaels an 8-4 final league record.

Santa Clara also has an 8-4 mark. University of San Francisco can make it a three-way deadlock if they are able to defeat winless Pacific tomorrow night.

Loyola clinched the WCAAC crown and a berth in the NCAA Western Regionals with a win over Pepperdine in Los Angeles Tuesday.

The Lions posted a 10-2 season mark.

THE FINAL St. Mary's win might have been a joyous one if the Gaels had not encountered a "lost week-end."

Virtually tied with Loyola for the top spot with two losses last week, the Gaels dropped a 60-53 decision to Santa Clara Friday night then were mathematically eliminated by San Jose State Saturday, 74-72.

Against Santa Clara, the Gaels went without a point in the final three minutes as the Broncos came from behind to win.

St. Mary's also led all the way against the Spartans the following night only to have a last second San Jose shot bounce through the hoop.

Meschery wound up the league season with 259 points, almost a 22-point average.

A 24-point night for Pacific's Ken Stanley against USF tomorrow will enable him to overtake Meschery for the WCAAC scoring title.

St. Mary's closed out their schedule with an overall 19-7 record.

Meschery Named To All-Coast Team

Tom Meschery of St. Mary's was named to the All-Pacific Coast basketball team by the United Press International after being shunned by the wire service on their All-America team.

He did place eighth on the Association Press honorary mention All-American list, but was completely ignored by the UPI despite the acclaim of most writers and coaches as the top player on the Pacific Coast.

Meschery received 88 votes out of a possible 1975 points in the AP All-American balloting.

So far the 6-5 senior has scored 516 points for St. Mary's in 25 games, an average of over 20 points a game.

Meschery has pulled down 321 rebounds in the same span, averaging almost 13 per game.

His 516 points is a new all-time season scoring high at St. Mary's. The former record of 489 was set by Frank Kudelka in 1948.

Meschery along with Frank Burgess of Gonzaga and Bill McClintock of California, received first team votes on every ballot sent in by a committee of United Press International staff members.

Other first team members were John Rudometkin of USC and Eddie Miles of Seattle.

Other West Coast Athletic Conference players to make the All-Pacific Coast team were Ed Berto of Loyola and Ken Stanley of Pacific. They were named to the second and third teams respectively.

Meschery was also named to the first team of the Northern California Basketball Writers' Association all-star team.

He was the only unanimous pick of the writers who also selected McClintock, Stanley, Bob Gaillard and Ed Thomas of USF on the first team.

The Sportsmen

Area Fishing Still Poor; Sportsmen Fear Pulp Mill

By LARRY JACKSON

The past week has probably been the poorest fishing week of the new 1961 season.

All points along the waterfront had nothing but dismal reports. Weather has been the main complaint, being so unpredictable as to keep the sportsmen home, and then again the fish were very uncooperative.

Dowrelios reported few fishermen, but those braving the elements taking a few fish.

Sunday all runs were canceled.

WHITE'S fishing resort spelled out the same story, with only a few boaters out and fewer fish and the pier addicts dodging the weather.

At McAvoy's Boat Harbor, a few of the private boat owners made a try for the fish, but the majority stayed home to wait out the wind and rains.

Sunday the harbor was practically deserted.

Only one striper rang the bell for a Schenley award as Mederas registered a 19-pounder as top fish of the week, as well as a 7-pounder, both taken on Saturday.

During the midweek, Fay Killingsworth and Ray Armstrong, the Shore Acres area sports, boated their craft to Snag Harbor and between wind squalls nailed a limit each, with the fish all in the 10-17-pound class. The sport was shortlived, as the wind won out and the boys had to call it a day in short order.

YOUNG Tommy White and his teen-aged buddy walked into Bait and Tackle shop at McAvoy's on Saturday and showed off a nice 18-inch steelie they took off the shore line.

The youngsters also had a fine mess of flounder.

Let's hope the weather breaks and the sportsters get a break soon.

ACTION on the proposed paper pulp mill that is scheduled to be built on the Sacramento at Anderson is being put out by several civic minded organizations as well as the sportsmen's clubs.

This proposed mill, the first of its kind for the inland waters of California, is to be built in the north end of our only available spawning grounds of our salmon and steelhead.

If pollution is a factor, then the spawning grounds could very easily be a thing of the past and the industry would be dealt a severe loss, as would the fishing and recreation rights of thousands of our citizens.

The Aquatic Research Committee, a group of serious minded citizens, asked Dr. Paul Needham, Lafayette, of U.C., to make a study of conditions by various mills in other states regarding the amount of pollution expended by these mills and what effect it would have on the spawning, embryo and fry of the salmon.

In the states of Oregon and Washington, this pollution has caused great damage to the salmon industry and at present no known process has been unveiled that would cut the loss down to the minimum.

RESEARCH is still being continued in these states, but to date has not come up with a solution.

In British Columbia, no pulp mills are allowed on inland waters, only in the ocean, where pollution is cut to the minimum.

The advice all along the board on this subject is wait for more research and do not try experimentation in the spawning beds.

Last Thursday a meeting was held at Anderson to study this project—on hand to read and explain Dr. Needham's study was Maury Holloway, Lafayette, representative for the Northern Lake Walton League; John Gilquist, representing the Associated Sportsmen of California, and Fred Pecchioni, of the Aquatic Research Committee.

The state pollution group and Kimberley Clark interests were also there.

THE POLLUTION committee of the Eff N' Gee accepted Dr. Needham's article and took it under advisement.

They then stated that the pollution board had established an all-time low for pollution of the waters and would present their findings to the Kimberley Clark interests, who are contemplating building the mill to see if they could produce their products at this low pollution rate.

The pollution regulations of the state are very strict, but are not supplied with enough teeth in the laws to make enforcement complete without long drawn out court cases.

A BILL for the legislation is being prepared to make the laws and regulations more effective. In the meantime plans are being set up to hold up the building of this plant until the correct amount of oxygen requirement for the spawn is determined.

Kimberley Clark states that they have such a plan, but the only drawback to that statement is that he token mill they have in operation in So-Cal does not give off pollution into the inland waters or valuable spawning areas.

All civic-minded citizens and all sportsmen are being urged—not just asked—to watch this project and help prevent the pollution of our waters.

Let's make Kimberley Clark prove their statements first in nonvaluable areas—not our spawning beds.

Then it might be too late.

Big Campaign To Extend EBMUD Service to Entire WC Is Proposed

Residents in Walnut Creek paying EBMUD water are getting a 20-cent East Bay Municipal Utility District tax but not receiving the service. City Manager Laverne Kimball was instructed to look into methods of creating one big assessment district which would include all those homes, and to investigate means by which the city can help in the financing.

Councilman Fred Sanders led off the discussion, Wednesday night, by saying the council should pay more attention to the people within the city (referring to the concern about Ygnacio Valley development). He said that many residents are in California Water Service area or in the area of Contra Costa County Water District. He noted that CWS rates are much higher than EBMUD, but many residents who want EBMUD water somehow can't finance the changeover, which requires purchase of the old facilities and bringing them up to standard before assumption of responsibility by EBMUD. He referred to the San Ramon Valley County Water District and the area-wide extension of EBMUD service there. Sanders added that EBMUD is willing to assist in the city's study of possibilities.

Diablo Park Connection To 'Regional' Nearer

A key link has been offered for a riding and hiking trail which eventually will connect the East Bay Regional Parks to Mt. Diablo State Park.

A 4½-mile right of way offered to state and county officials by William U. Barnes, manager of the Moraga Ranch properties of Utah Construction Co.

The trail, varying in width from 100 to 200 feet, depending on terrain, extends from Redwood Canyon southwest of Moraga to a point on Bollinger Canyon Road, about three miles from Alamo, according to Barnes.

Another leg of the trail, already in use, stretches from the mountain to Alamo along Stone Valley Road. Once the final short link between Alamo and the Bollinger point is acquired, riders may enjoy a 17-mile path from Redwood Regional Park to the mountain.

The mountain provides access to various long and short trails and eventually these trails will tie in on the proposed 2000-mile state system, 1100 miles of which already are in use, Barnes said.

The new trail section, part of the Contra Costa County master

plan for recreation, has been tentatively accepted by Mel Nielsen, of the county board.

George Cardinet Jr., president of the Concord-Mt. Diablo Trail Ride Association, said the county may transfer development and maintenance functions to the state once the final link at Alamo is acquired.

Cardinet called the permanent easement offer "most generous and public-spirited."

William Trudeau of Diablo, regional trail committee chairman for the State Horsemen's Association, called it "magnificent."

Other officials attending the firm's announcement dinner included Superintendent Robert Stewart, Mt. Diablo State Park; Raymond Thayer, Contra Costa County park department; William Morrison of Lafayette, Hank Boeger and Irv Kolkorst of Moraga, representing the Moraga Horsemen's Association.

Frank Kelly of Oakland, Nelson Lewis of Hayward, Austin Lutrop of El Cerrito, representing Aahmes Shrine and its mounted patrol.

Frank Larimer of Martinez, state horsemen's group; Richard Weske of Berkeley, executive assistant for Utah Co.; Frank Draeger of Oakland, Wilson Engineering Company.

Exemption Period Veterans' Tax Runs to April 1

County Assessor C. L. Dunklee announced that the period in which war veterans may file claim for tax exemption began Monday.

Veterans who received the tax exemption last year need not come into the office to file as they have already received affidavits in the mail.

These forms should be returned as quickly as possible in order to assure proper credit of the exemption, said Dunklee.

The forms must be filled out completely, and all items must be answered in full before the exemption can be allowed.

IN CASES where the veteran is filing for the first time or did not receive exemption last year, it is necessary that he appear in the assessor's office, having with him his service discharge papers and also the description of the property on which the exemption is claimed.

The property also must have been duly recorded in the veteran's name no later than March 6 in order to qualify for exemption.

The veteran is allowed an exemption if his assets are valued at less than \$5000; or if the property is community property held by the husband and wife, the amount is \$10,000.

This includes stocks, bonds, real and personal property. Assessed values rather than market value of the real property are used in determining the veteran's net worth.

THE EXEMPTION applies to both men and women; the widow, pensioned widow; or pensioned father or mother of the veteran.

Certain paraplegic veterans are entitled to special consideration, and should contact the assessor regarding an exemption on the property.

In addition to the veteran's exemption, affidavits for church exemption must be filed by the various churches throughout the county during the same period for property used solely and exclusively for religious purposes.

Foreign Language Isn't A Bug-a-Boo Anymore!

Trustees of the Acalanes High School District saw a demonstration of electronic foreign language instruction as practiced in the language laboratories of the high schools recently.

A lecture on the development of applied linguistics was given by the chairmen of the language departments of the four high schools.

Jose Coleman of Las Lomas, Charles Donna of Acalanes, Robert King of Del Valle and Mrs. Robert Ehrlich of Miramonte provided trustees with an explanation of the application of modern methods of teaching foreign languages as developed at the Army Language School in Monterey. Teaching of Spanish, French, German and Russian to high school students was discussed.

Each high school of the district this year installed language labs, partially financed by grants from the federal government from funds provided by the National Defense Education Act.

They consist of individual student booths, monitor consoles and multiple listening and speaking equipment.

Students are given an opportunity

to learn a foreign language by following the natural sequence of hearing words spoken, repeating them, having errors corrected and repeating again.

Later, after becoming familiar with the sounds of a language, the student is introduced to the same words in the printed page and learns the grammatical rules governing the speech patterns he has learned by rote.

Emphasizing the increased interest in foreign languages, Coleman pointed out that 56 per cent of the high school students of the district are taking at least one foreign language.

Donna reported that colleges and universities are now recommending that students pursue one language for four years, rather than two languages for two years each as in the past, in order to develop greater fluency and usefulness in acquiring a second language.

Mrs. Ehrlich demonstrated by a tape recorder how students are able to hear perfect, cultured pronunciation, imitate it, and at the same time learn basic grammatical rules.

Symbolizing the courageous firemen of the East Bay: Chuck McGinnis of the Richmond Fire Department

HIS NAME: COURAGE. HIS WEAPON: WATER

Your safety is in his hands. Day, night, summer, winter, he is constantly alert in a hundred East Bay firehouses, ready to fight man's age-old enemy, fire.

We at EBMUD provide his weapon: water. We provide whole rivers of it, at high pressures, through big distribution mains. Rivers to burst with explosive force from the fire nozzle, to help subdue the raging terror, fire.

Together, Courage and EBMUD water bring you low fire insurance rates. What's more, they bring you safety.

This custom built 2 year old ranch style home is on a full half acre in the country. The living room is fully carpeted and is centered by a massive fireplace set in an ash paneled wall. ADD a large family room with exposed beam ceiling. ADD 3 twin sized bedrooms (master has built-in vanity and extra bath). ADD an electric kitchen designed for efficiency and spacious enough for family meals. ADD a 20 x 35 fully finished attached shop easily convertible to ANOTHER rumpus room. Add an oversized 20x30 garage and you have a home that needs a large family to fill it.

ALL THIS FOR ONLY \$27,500 ON TERMS THAT WILL AMAZE YOU.

'Five Finger Exercise' Opens At Curran

One of the most important plays to reach San Francisco this season is Peter Shaffer's "Five Finger Exercise" starring Jessica Tandy and Roland Culver, which begins a three-week engagement at the Curran Theatre on March 13. Winner of London and New York critics' "Best Play" awards, "Five Finger Exercise" ran for over a year in London and for ten months in New York.

Few casts of Broadway successes stick together as faithfully as has the cast of "Five Finger Exercise." Jessica Tandy has been with the play since its New York opening. Roland Culver and Brian Bedford were members of the original London and New York casts. Pinkie Johnstone was imported from England last spring to play the teen-age daughter in New York and on tour. The one member of the cast who did not appear on Broadway is Robert Dowdell, who replaced Michael Bryant when Mr. Bryant left to replace Alec Guinness in the London production of "Ross."

In his unusual title Peter Shaffer has found an apt expression to denote the substance of his play. Just as a piano student must master the fundamental five-finger exercises before he can cope with the masterpieces, so

Muni Court Has Opening

Candidates are being sought to fill a clerical supervising position in the Walnut Creek Municipal Court.

The position, chief deputy clerk, pays \$341-\$415 per month.

The person selected will be involved with the clerical activities created by criminal, motor vehicle, small claims and civil proceedings in the Municipal Court.

Minimum standards include completion of the twelfth grade, plus two years of experience which involved filing legal documents, processing records and answering questions regarding legal procedure in a law office, County Clerk's Office, a Justice, Municipal or Superior Court.

County residence is not required for this position. Persons interested in applying for this job should contact Contra Costa County Civil Service Department, Room 229 Hall of Records, Martinez.

must the human being master the problems of his home and daily life before he can attain happiness and emotional stability.

A play that combines an absorbing and splendidly written script with brilliant direction by Sir John Gielgud and an outstanding cast, "Five Finger Exercise" should not be missed. Evening performances at the Curran are at 8:30. Wednesday and Saturday matinees at 2:30.

Communist Education Will Be Explained at College

Prof. Witold S. Sworakowski, assistant director of Stanford University's famed Hoover Institution on War, Revolution, and Peace, will present the second lecture of a series of nine on the subject of Communism, Thursday, at Diablo Valley College.

Prof. Sworakowski will give this talk at Contra Costa College, Wednesday, at San Pablo. Both will be given in the gymnasiums of the respective schools beginning at 7:30 p.m.

The series, sponsored by the Contra Costa Junior College District, is free to all who wish to attend.

Sworakowski's subject, "Education in the Communist System,"
